If you decide not to allow students to revise papers, consider rewarding improvement from one paper to the next (e.g., the grade on the second paper is worth a greater percentage of the final course grade than the grade on the first paper). 2) If students are struggling with their writing, suggest a meeting during office hours.

Animal Habitats - A First Grade Research Project - Firstieland

Students who write down the exact words from their sources tend to include those “great-sounding” sentences in their research papers which leads to a whole new lesson on plagiarism. During the two to three days students are taking notes, I sit down with each team to look over what they have completed and steer them onto the right track if necessary.

First Grade Research Papers | azrmusic.net

First graders can often complete tasks at a higher level than what we give them credit for. Today's lesson addresses W1.7 as students get a chance to participate in shared research and writing projects. I knew that I would have to model how the research process works for my first graders because, in first grade, researching is a guided process.
