## first-love | James Patterson

This novel by James Patterson, to me seemed very similar to Love Story by Erich Segal or a Walk to Remember by Nicholas Sparks. The book is about Axi Moore and her best friend Robinson who go on a road trip together to see the country. Along the way they steal a few cars and have some great adventures and scares.

**James Patterson on writing First Love - Penguin Books**

James Patterson is perhaps most famous for his fast-paced and exciting thrillers, but his new novel, First Love is something quite different. Here, the author shares the inspirations behind the book: 'As you get older, the idea of first love becomes more interesting. You like to go back and hang out there for a while and remember how it was.'

*First Love by James Patterson - Goodreads*

First Love is a breathtaking new novel from James Patterson based partly on his own experiences about, just like it sounds, falling in love for the first time. However, this tale is about so much more than that. There are life lessons learned by these teens from which we can all benefit at any stage of life.

*First Love: Amazon.co.uk: Patterson, James: 9781780892474 ...*

James Patterson, author of First Love, meet John Green, author of The Fault Of Our Stars. There was something lacking in the character and story line development in First Love. The story circled the same ideas over and over again, steal cars then go on adventures, until the very end. The story could have developed into so much more.
