Little Fox and the Missing Moon Tundra Books

NEW YORK TIMES BESTSELLER • Janet Evanovich, bestselling author of the Stephanie Plum series, teams up with Emmy-winning writer Phoebe Sutton for a brand-new series of mysteries featuring Emerson Knight and Riley Moon, a dynamic duo with instant and undeniable chemistry. Emerson Knight is introverted, eccentric, and has little to no sense of social etiquette. Good thing he ' s also brilliant, rich, and (some people might say) handsome, or he ' d probably be homeless. Riley Moon has just graduated from Harvard Business and Harvard Law. Her aggressive Texas spittfire attitude has helped her land her dream job as a junior analyst with mega-bank Blane-Grunwald.

At least Riley Moon thought it was her dream job, until she is given her first assignment: babysitting Emerson Knight. What starts off as an inquiry about missing bank funds in the Knight account leads to inquiries about a missing man, missing gold, and a life-and-death race across the country. Through the streets of Washington, D.C., and down into the underground vault of the Federal Reserve in New York City, an evil plan is exposed. A plan so sinister that only a megalomaniac could think it up, and only the unlikely duo of the irrepressibly charming Emerson Knight and the tenacious Riley Moon can stop it. Praise for *Curious Minds* " The one-liners fly at a ferocious pace. . . . Evanovich fans will find this closer in style to the Stephanie Plum novels. " —Booklist " Evanovich ' s comedic timing and pacing are evident on every page. " —Daily Republic

How Do Dolphins Communicate? Trans Media Publishing LLC

It's true that few of us would choose the life of a zombie, mindlessly consuming every moving thing in sight as we rot and shrivel with decay. It's also true that few of us would choose to become a ghost, dolefully watching the comings and goings of the living, unable to touch, to breathe, to feel them in a physical way. But, if given the chance to become a vampire, I think most of us would bite. Vampires make our pulses quicken: whether they are the velveteen figures of Anne Rice or Bram Stoker, or the violent monsters of Stephen King, we don't care. Not the hunters. Not the hopefuls. The real, blood-drinking, neck-biting fiends. Vampires are timeless because they are immortal. And the vampires in these pages may just come back to bite you in the end. These are stories you can really sink your teeth into. Promise.

Almost a Full Moon is a warm-hearted story of family, community, food and home. A boy and his grandmother host a gathering in their small cabin in the middle of winter. Friends travel from near and far, and some new friends even turn up. The walls of the cabin are elastic and the soup pot bottomless; all are welcome. Based on the lyrics of Hawksley Workman's song from his holiday album *Almost a Full Moon*, this book evokes both the cold and the coziness of a winter's night: crisp clean air, sparkling snow, the light of the moon, welcoming windows, glowing candles, family and friends. The spare text is beautifully complemented with the rich illustrations of Jensine Eckwall, a new talent to Tundra. She brings beauty and a hint of magic to Workman's evocative lyrics; together, they create a world and a night that will enchant readers of all ages.
