former client Liberty Party
leader, Randall Davies. Davies
becomes laser focused on
ruining Jack's career and his
life by having Jack framed for a
horrible crime he didn't
commit. Randall's son,

William, is the candidate opposing Jack's new client, Lindsay Revelle. Besides revenge, bringing Jack down would most certainly ensure Wialliam Davies' being elected. When the Wisconsin Department of Justice launches a task force aimed at cracking down on child pornography around the state. Davies uses his sway over key individuals in Jack's orbit and their political connections to devise and implement a strategy using the DOJ's crackdown to implicate Jack in a crime he didn't commit. The heart of the story is the struggle of Jack and his team to unravel the conspiracy aimed at destroying his life. Gaining his acquittal in a suspenseful courtroom showdown would not only prove his innocence, restore his reputation and reinstate his parental rights, it would ultimately bring down the Liberty Party, their candidate, and Randall Davies in the

A SUNDAY TIMES CRIME

BOOK OF THE YEAR. 'Serial

killers turn up all the time in crime fiction, but few are as patient or as devious as the murderer in Zhou

Haohui's Death Notice. This extraordinary novel is the first in a trilogy, and it is already China's bestselling crime series to date' Sunday Times. THE LAW IS WEAK For nearly two decades an unsolved double homicide has haunted Sergeant Zheng Haoming of the Chengdu Police Department. I OFFER REAL JUSTICE Now it looks as if the long-dormant killer has resurfaced, taunting law enforcement with 'death notices' proclaiming their next victim and the date of 'execution'. Perhaps modern police techniques — criminal profiling, online surveillance, SWAT teams — can catch a killer who previously evaded justice? Or perhaps this killer is more than a match for the Chengdu Police Department. ONE SENTENCE: DEATH Death Notice is a Chinese crime-writing phenomenon, a high-octane, high-concept cat-and-mouse thriller that adds an exhilarating new gear to the police procedural.

The cries of the dead are deafening. Women are being taken in Virginia, and FBI agent Mark Gallagher is determined to put a stop to it. Certain he's closing in on the killer known as The Embracer, Mark is less than thrilled when he's partnered with rookie agent Colleen Law, worried she's a liability when there's so much at stake. But like

She can hear the voices of the victims in her head, and they're telling her she and Mark are near to uncovering the truth. When Mark's prime suspect takes a liking to Colleen, he's surprisingly protective of his new partner, even as he admits her connection to the victims is key. But tense interrogations turn dangerously personal when someone close to	Colleen goes missing, luring the agents deep into the shadows of wooded rural Virginia, where nobody can hear them scream. Volume 1 Pan

Steven Gerrard is a hero to millions, not only as the inspirational captain of Liverpool FC, but as a key member of the England team. Here, for the first time, he tells the story of his lifelong obsession with football, in an honest and revealing book which captures the extraordinary camaraderie, the soul-destroying

tensions and the high-octane thrills of the modern game as never before. Born in the Liverpool suburb of Huyton in 1980, Steven first joined Liverpool as a YTS trainee and played his first game for the first team aged just 18. His career has gone from strength to strength ever since and he is now the team's captain and its lynchpin. Liverpool's incredible comeback in the Champions' League final in Istanbul in May 2005, recovering from a 3-goal deficit against AC Milan to win on penalties, is testament to the amazing power Gerrard has over his team. His presence on the

pitch is a force to be reckoned with and places him amongst the very first rank of players in the world. A relatively private figure, Steven has rarely spoken out in public. Now, his legions of fans will be allowed an intimate glimpse of what makes their hero tick. He speaks for the first time about the torturous will-he-won't-he Chelsea rumours and his undying passion for Liverpool. We experience first-hand the highs of winning in Istanbul and elsewhere, as well as the occasional lows of being parted from his much-loved family and friends. And of course, the book contains a full blow-by-blow account of England's world cup campaign in Germany 2006. Steven Gerrard's book is the definitive football autobiography. Like its subject, it's honest, passionate and exhilarating. If Steven Gerrard isn't your hero yet, by the time you've read this he will be...
