Rushmore is the second work from the team of Wes Anderson and Owen Wilson following the success of their debut screenplay and film *Bottle Rocket*. It is a refreshingly offbeat comedy about young Max Fish, a precocious pupil at a conservative private school. He is a live wire, a teenager full of madcap entrepreneurial schemes that usually in failure. His personal life becomes similarly complicated when he falls for his elegant teacher, Rosemary Cross, and finds himself vying for her favor with Herman Blume—who is portrayed in the film by Bill Murray—the wealthy father of two of his classmates. Max ultimately proves himself a figure of some tenacity as he negotiates the minefield of love, desire, and adolescence. At the Toronto Film Festival, Screen International called Rushmore "a real charmer filled with surprise twists and emotions that avoid sentimentality . . . A little gem."

Buying Guide 2007 Canadian Edition EB Publishing

"Using Spain of the booming 1980s as his example,

Lederer describes a world, and a pace of life, fast disappearing. Globalization, interconnectivity, modernization and financial pressures are bringing to an end that slower rhythm to which men and women have moved... forever. In "Nothing Lasts Forever Anymore", a small family is faced with new choices as expanding communities encircle the little seaside farm on which they have lived for generations. Whatever they decide to do, even having those choices means that things will never be the same."

GE/Hotpoint Washer Repair The Rosen Publishing Group, Inc

Whether he's conscious of it or not, a man's mother is the model for just about every relationship with a woman he has for the rest of his life. Sometimes it's obvious (just ask his wife or girlfriend), sometimes it's more subtle, but when you see it, it becomes crystal clear. For fifteen years, this book has helped men understand their mothers' pervasive influence over the way they relate to women—both the positive and negative aspects of it. But more than that, it has helped thousands of men break free of old relationship patterns. Gurian gives men a wealth of practical exercises and meditations they can use to recognize their mothers' influence in relationships, and to establish a healthy and rewarding new basis for relationships that will benefit themselves and the women in their lives as well. This new edition of the book formerly titled Mothers, Sons, and Lovers includes a new preface and study questions by the author.

The classic foundation work developed by Sally Ryan, COTA, ROH, has been completely revised and updated to reflect current healthcare trends. The reformulation of Ryan's

Occupational Therapy Assistant: Principles, Practice Issues and Techniques, Third Edition includes occupation-based case studies that highlight the didactic material presented in each chapter, along with an updated style of information. Four sections make up the new integrated text. The first section looks at important foundation concepts such as history, uniform technology, and the occupational therapy process. The second section introduces readers to people who are experiencing the challenges of disabilities. The chapters provide general information about the disabilities, as well as essential vocabulary and key concepts. The third section provides information on the "doing" of occupational therapy. Foundation treatment techniques are introduced so readers can master basic skills and continue to research current practice. Lastly, the fourth section focuses on the management aspects of an OTA's professional life. How-to information, as well as professional development, is the focus of this section.
