Nature's Touch Cradle Swing - Fisher-Price  
*Fisher-Price Natures Touch Baby Papasan Cradle Swing*

Product Description. Two different ways to swing baby—at the touch of a button! With the Fisher-Price® Cradle Swing, you just push the button and turn the seat to the side to swing baby in a cradle-like motion. Or, push the button and turn the seat to the front, and baby swings in a traditional back-and-forth motion. There are six soothing swing speeds and a seat that reclines to two different positions.

Fisher Price Nature Touch Baby

Note that all the reviews for the various types  
(nature's touch, new nature's touch, starlight, etc.,)  
are all grouped together. We got the New Nature's  
Touch, thinking all the models use AC Power, (b/c the  
reviews say so) but they do not! The New Nature's  
Touch is definitely batteries only. I'm giving it 5 stars  
b/c for what it is, it is great.

Amazon.com: Customer Questions & Answers

The Fisher Price Nature's Touch swing is the best!!! It's a bit pricy (\$130 at Babies R Us) but it is a true lifesaver! My son is 4 mo now and still LOVES his swing... I agree with Amy W...we also have a Fisher Price Ocean Wonders swing (now I believe it is a Rain Forest theme), and both my kids loved the side-to-side motion.
