Bomb Harper Collins
Finding true love is possible in

just 90 days. Renowned clinical psychologist, Dr. Diana Kirschner, uses the latest research, clinical and personal experience to show you how. Dr. Diana knows the questions single women everywhere face: "Why am I attracted to the wrong kind of guys?" "Why is he just not that into me?" "Why can't I seem to find the One?" She also knows the unconscious mistakes that women make over and over again in love—regardless of age, work success, or the type of men they are dating. Over the years Dr. Diana has received countless inquiries from single women about writing a how-to guide on her work. Love in 90 Days: The Essential Guide to Finding Your Own True Love is that book. Love in 90 Days is fun, savvy and based on the latest research on singles, online dating and healthy relationships. Loaded with step-by-step instructions, checklists, and weekly homework assignments, this revolutionary love book is also an intensely personal journey for each reader. Love in 90 Days guides you along your own path towards self-discovery with proven and effective dating advice and tough love. Dr. Diana dispels common misconceptions about love relationships and dating, and share personal stories from women who have successfully completed the Love in 90 Days Program. There's also a chapter devoted to the special issues faced by African-American women, single mothers, and women forty-five and older. Reviews of Love in 90 Days "Are you just thinking about getting back into dating? Or is your current dating strategy getting

you nowhere? Maybe you're with a guy now and wondering if he's "The One?" Or are you in a relationship now that you know deep inside is failing? No matter what is happening in your love life, *Love in 90 Days* is for you. Grab this book now. It truly rocks!" ~Steve Nakamoto, *Writers Digest* award-winning author of *Men are Like Fish*; *What Every Women Needs to Know about Catching a Man* "A wonderful addition to any single woman's library...I was thrilled with how many times Dr. Diana exceeded my

expectations...Chapter Two (the *Deadly Dating Patterns* is mandatory reading." ~Bonny Albo, *Dating Guide* at *About.com* "The best-selling, how to book, flew off the shelves of bookstores and a copy seems to be on the coffee tables and reference material for many of my friends..."*Love in 90 Days* is replete with pages of heart-filled ideas and exercises. Like the song: summertime and the reading is easy. Go for it." ~Page Larkin, *Examiner.com*

From her humble roots in the Bronx to Laverne and Shirley and her unlikely ascent in Hollywood, the beloved actor and director tells the story of her incredible life.

Red Book Houghton Mifflin Harcourt Kelso challenges readers to reflect on the social impact of advertising from multiple perspectives. Topics include but are not limited to: a history of modern advertising in the US, how advertising can privilege or marginalize social constructions of identity, the problematic targeting of

children, and the masks behind corporate advertising.

The Modern Girl's Guide to Motherhood Teach Yourself More short films are being produced every year and new distributed channels, including the Internet, mean an ever increasing audience for them. This is a guide to the world of short film production, with all the tools needed to take an idea from concept to shooting script.

Camera Obscura John Wiley & Sons

“I cherish the fun times/laughs I have with my friend/publicist

Holly, who is always so “Jolley.” Just being in her presence makes me feel comfortable and at home - like I’ve known her a million years. I know her readers are going to feel the same. The way she words and writes things is in such a smart, but understanding way, no matter the age or the maturity level - it always leaves you wanting more.” —Paul Jolley (American Idol - Season 12, Top 9 Finalist) “Holly writes truthful and sincere. I know her writing comes from her heart and her experiences just from knowing her. She was the first one to write up an

article about me and my hometown. Very excellent writer. Emm Hmmm.” —Duck Dynasty’s Mountain Man Are you tired of “How-to” dating books? Well, this is not one of them. Holly Marie Tong’s Chick Flicks Lie (Sugar-free Accounts of a Positive Pessimist) features laughable and engaging stories which are relative of today’s dating world. Deep down, we all want the kind of love that would chase our departing plane down the tarmac and the kind of love that would try to win us back no matter what the cost. However, real life is often a far

cry from a chick flick, and there isn't any background music to accompany it. With sharp wit, continual sarcasm, and non-stop humor, Chick Flicks Lie reminds the single crowd that they aren't alone. The empathetic author believes faith mixed with laughter to be the best medicine for lousy dates and failed relationships. This feel-good book will leave singles feeling understood, while giving them a whole new perspective.

Simpler Living Handbook

Simon and Schuster

In *An Engine, Not a Camera*, Donald MacKenzie argues that the emergence of modern economic theories of finance affected financial markets in fundamental ways. These new, Nobel Prize-winning theories, based on elegant mathematical

models of markets, were not simply external analyses but intrinsic parts of economic processes. Paraphrasing Milton Friedman, MacKenzie says that economic models are an engine of inquiry rather than a camera to reproduce empirical facts. More than that, the emergence of an authoritative theory of financial markets altered those markets fundamentally. For example, in 1970, there was almost no trading in financial derivatives such as "futures." By June of 2004, derivatives contracts totaling \$273 trillion were outstanding worldwide. MacKenzie suggests that this

growth could never have happened without the development of theories that gave derivatives legitimacy and explained their complexities. MacKenzie examines the role played by finance theory in the two most serious crises to hit the world's financial markets in recent years: the stock market crash of 1987 and the market turmoil that engulfed the hedge fund Long-Term Capital Management in 1998. He also looks at finance theory that is somewhat beyond the mainstream—chaos theorist Benoit Mandelbrot's model of "wild" randomness.

MacKenzie's pioneering work in the social studies of finance will interest anyone who wants to understand how America's financial markets have grown into their current form.

Accelerate sales and improve customer experience Every day, most working professionals entrust their most important messages to a form of communication that doesn't build trust, provide differentiation, or communicate clearly enough. It's easy to point to the sheer

volume of emails, text messages, voicemails, and even social messaging as the problem that reduces our reply rates and diminishes our effectiveness. But the faceless nature of that communication is also to blame. Rehumanize Your Business explains how to dramatically improve relationships and results with your customers, prospects, employees, and recruits by adding personal videos to emails, text messages, and social messages. It explains the what, why, and how behind this new movement toward simple, authentic videos—and when to

replace some of your plain, typed-out communication with webcam and smartphone recordings. • Restore face-to-face communication for clarity and connection • Add a personal, human touch to your emails and other messages • Meet people who've sent thousands of videos • Learn to implement your own video habit in an easy, time-saving way • Boost your replies, appointments, conversion, referrals, and results dramatically If you're ready to influence, teach, sell, or serve in a more personal way, Rehumanize Your Business is

your guide.

Never before has so much popular culture been produced about what it means to be a girl in today's society. From the first appearance of Nancy Drew in 1930, to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001, girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages. Editors Claudia

A. Mitchell and Jacqueline Reid-Walsh investigate the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls who are growing up faster today than ever before. From pre-school to high school and beyond, Girl Culture tackles numerous hot-button issues, including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness. Nothing is off-limits: body image, peer pressure, cliques, gangs, and plastic surgery are among the over 250 in-depth entries highlighted.

Comprehensive in its coverage of the twenty and twenty-first century trendsetters, fashion,

literature, film, in-group rituals and hot-button issues that shape—and are shaped by—girl culture, this two-volume resource offers a wealth of information to help students, educators, and interested readers better understand the ongoing interplay between girls and mainstream culture.

Best Life Simon and Schuster Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The Ultimate Filmmaker's Guide

to Short Films Pushcart Prize nominee Sonya Chung has displayed her stunning talent in her award-winning short fiction and essays. Now, she renders the compelling story of a troubled family straddling cultures, fleeing and searching, in her piercing and profoundly humane first novel. In 1953, on a small island in Korea, a young boy stows away on the ferry that is carrying his older brother and his wife to the mainland. Fifty-two years later, Han Hyun-kyu is on a plane flying back to Korea, leaving behind his own wife in America. It is his daughter, Jane a war photographer recently injured in a bombing in Baghdad and forced to return to New York who

journeys to find him in the small town in South Korea where his brothers have settled. Here, father and daughter take refuge from their demons, flirt with passion, and, in the wake of tragedy, discover something deeper and more enduring than they could have imagined. Just as Monica Ali's *Brick Lane* introduced readers to a world that is both exotic and immediate, *Long for This World* illuminates the complexities and the richness of family bonds and establishes Chung as an exciting new voice in fiction.
