Many of the titles offer insight into contemporary research priorities and identify some of the opportunities open to those involved in care and health promotion. The series will be of interest to the general reader, those involved in education and social research, as well as scientific and medical researchers who want to examine the social aspects of AIDS.

[Obscenity Battles in British Law and Culture](#) Punto Rojo Libros S.L.

Approached with either "indifference" or "panic" in our culture, discussion of childhood sexuality remains submerged within political and moral debates that have historically impeded its understanding. In contrast, Sexual Development in Childhood brings together respected researchers and clinicians to assess the current state of knowledge about childhood sexuality. The result is a comprehensive presentation of the latest research that is rational, balanced, and thorough. The wide-ranging essays in Sexual Development in Childhood seek collectively to answer many of the most vital questions in the field of childhood development. What is childhood sexuality, and why should it be studied? How should it be measured, and what research methods are most useful? What are the current empirical results of research, and in what direction do these studies intend to go in the future? The essays offered in answer to these questions propose to help us understand both the normal range of sexual development in children and the consequences of abusive sexual experiences—objectives that should make this volume an essential resource for teachers, advocates, and social policy professionals as well as for researchers

and clinicians.

[TALE OF A HOUSEWIFE USED AS A SEX SLAVE \(FISTING AND BONDAGE\)](#) Indiana University Press

Lynne Huffer's ambitious inquiry redresses the rift between feminist and queer theory, traversing the space of a new, post-moral sexual ethics that includes pleasure, desire, connection, and betrayal. She begins by balancing queer theorists' politics of sexual freedoms with a moralizing feminist politics that views sexuality as harm. Drawing on the best insights from both traditions, she builds an ethics centered on eros, following Michel Foucault's ethics as a practice of freedom and Luce Irigaray's lyrical articulation of an ethics of sexual difference. Through this theoretical lens, Huffer examines everyday experiences of ethical connection and failure connected to sex, including queer sexual practices, sodomy laws, interracial love, pornography, and work-life balance. Her approach complicates sexual identities while challenging the epistemological foundations of subjectivity. She rethinks ethics "beyond good and evil" without underestimating, as some queer theorists have done, the persistence of what Foucault calls the "catastrophe" of morality. Elaborating a thinking-feeling ethics of the other, Huffer encourages contemporary intellectuals to reshape sexual morality from within, defining an ethical space that is both poetically suggestive and politically relevant, both conceptually daring and grounded in common sexual experience.

[Surveillance on The Down-Low](#) Kim Hardwick

After years of a loveless relationship with her husband Frank, Michelle begins to suspect he may be having an affair. She decides to hire a private investigator and is shocked to discover the ugly truth about her husband. Frank is a closet homosexual with a ravenous desire for sex with countless men. One morning after her husband goes to work Michelle opens up a package from the private investigator which includes a video of her husband in different locations during a week of surveillance. She proceeds to view her husband on the video inside several gay establishments and watches in horror while he has sex with a plethora of different men. Michelle then discovers Frank's username and password to his secret gay e-mail account and uncovers a dark underground world she never knew existed of gay men living on the down low. She uses the information she finds from a variety of his alternative websites where he posted multiple gay profiles to turn the tables on Frank. Michelle comes up with the perfect plan for revenge and sets Frank up for a truly memorable down low encounter he will never forget as long as he lives.

[Gay Communities Respond to AIDS](#) Routledge

Winner of the 2021 SSTAR Consumer Book Award! What makes sex magnificent? What are the qualities of extraordinary erotic intimacy and what are the elements that help to bring it about? Is great sex the stuff that people remember nostalgically from the "honeymoon" phase of their relationships, or can sex improve over time? Magnificent Sex is based on the largest, in-depth interview study ever conducted with people who are having extraordinary sex. It gathers the nuggets for remarkable sex from the "experts", distilling them into an attainable blueprint for ordinary lovers who want to make erotic intimacy grow over the course of a lifetime. Looking at factors including individual and relational qualities, empathic communication and the myths and realities of magnificent sex, this book offers accessible and evidence-based guidance for lovers and therapists alike. It is replete with frank and often humorous interviews with straight and LGBTQ individuals and couples, those who are "vanilla" and "kinky", monogamous and consensually non-monogamous and healthy and chronically ill. This illuminating book explores the implications of the findings to develop a model that effectively tackles the common problems of low desire and frequency. The "cure" for low desire is to create desirable sex!

[The Ashgate Research Companion to Queer Theory](#) Wind Color Press

Sadomasochism and the BDSM Community in the United States: Kinky People Unite chronicles the development of sadomasochistic sexuality and its communities in the United States from the post-war period to the present day. Having evolved from scattered networks of sadomasochists to a coherent body bound by shared principles of "safe, sane, consensual," activists worked to transform popular perceptions of their community, end its routine harassment by law enforcement, and win inclusion in American society. Often paralleling the work of LGBTQ activists, people who engaged in BDSM (Bondage and Discipline, Dominance and Submission, and Sadism and Masochism) transformed both

their own sexual practices and how outsiders perceived them, successfully changing popular perceptions of them from fascists, murderers, and outlaws to people living an alternative lifestyle. The development of this community highlights the interactions of people of different sexual orientations within a sexual community, the influence of various campaigns for sexual freedom, and the BDSM community's influence on popular perceptions of sexuality and sexual freedom. The text's historical perspective gives depth and texture to a specific dimension of American history of sexuality. This book will be of interest to students and scholars in the history of sexuality. It's clear and direct approach offers an important and useful chronology of a movement that has long been neglected.

[The Johns](#) McFarland

The Feminist Porn Book celebrates the power of desire, turning the spotlight on an industry where feminism is thriving. *BDSM, Role Play and the Erotic Edge* Routledge A wild and uncompromising history of four infamous magazines and the outlaws behind them, Dirty! Dirty! Dirty! is the first book to rip the sheet off of the sleazy myth-making machine of Hugh Hefner and Playboy, and reveal the doomed history of Hefner's arch rival, Penthouse founder Bob Guccione, whose messiah complex and heedless spending — on a legendary flop of a movie paid for with bags of cash, a porn magazine for women, and a pie-in-the sky scheme for a portable nuclear reactor — fueled the greatest riches to rags story ever told. The adventure begins in the early 1950s and rips through the tumultuous '60s and '70s —when Hustler's Larry Flynt and Screw's Al Goldstein were arrested dozens of times, recklessly pushing the boundaries of free speech, attacking politicians, and putting unapologetic filth front and center — through the 1990s when a sexed-up culture high on the Internet finally killed the era when men looked for satisfaction in the centerfold. As America goes, so goes it's porn. Along the way we meet many unexpected heroes—John Lennon, Lenny Bruce, Helen Gurley Brown, and the staff of Mad magazine among them—and villains—from Richard Nixon and the Moral Majority to Hugh Hefner himself, whose legacy, we learn, is built on a self-perpetuated lie. [Faeries, Bears, and Leathermen](#) SCB Distributors Each year, more than 800,000 women and children are lured, tricked, or forced into prostitution to meet an apparently insatiable demand, joining an estimated 10 million women already ensnared in the \$20 billion worldwide sex trade. To date, most research on the subject has focused on the various issues that propel these women into the trade, but little has been investigated, or written, about those who trigger the demand—the "Johns." In this hard-hitting expose, Victor Malarek ranges worldwide, unmasking the kind of men—and organizations—that foster and drive the sex trade, from America to Europe, Brazil to Thailand, Phnom Penh to St. Petersburg and Costa Rica. From socioeconomic background to emotional stability, Malarek investigates the root of the cause and attacks the idea that prostitution is a victimless crime. He explores the efficacy of Sweden's outlawing the buying—rather than the selling—of sex, and its dramatic impact on the country's prostitution rates. The Johns is a chilling look into a dark corner of the world that these men have created at the expense of countless women and children.

[Of Playboys, Pigs, and Penthouse Paupers An American Tale of Sex and Wonder](#) Bloomsbury Publishing USA

Through changes in archival and industrial practices, the very pastness of vintage pornographic cinema becomes a source of both eroticism and cultural conflict.

[The Feminist Porn Book](#) Edinburgh University Press Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data.

Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most sophisticated and convincing examination of the biblical data for our time. —Jürgen Becker, Professor of New Testament, Christian-Albrechts University

A Queer Feminist on the Ethics of Sex NYU Press

Domination, obsession, possession—where the all-powerful Frost comes toe to toe with Juliet Sinclair, a submissive to no one, until her first touch of Frost. After a chancy one-night stand, Juliet Sinclair runs into Mr. Tall-Dark-Handsome, the only man to make her contemplate true submission—Roman Frost, CEO of Frost Industries, alpha billionaire playboy and her new boss. There is no question that the chemistry between Frost and Jules is sinfully alluring, but being together will risk everything they both have fought so hard to build. Frost, a controlling megalomaniac, can't get enough of the only woman who has said '&'no' to him. Jules, a hopeless romantic, wants to be consumed by love until she stands too close to the fire of Frost. The two of them together are chaos, but the two of them apart are emotional mayhem. Fighting their own inner demons, they launch themselves into the all-consuming cat-and-mouse game of love. Yearning for something more, Jules willingly steps into the belly of the beast, driven by a touch of Frost.

The Two Suggestions Elsevier Health Sciences

How does film and video censorship operate in Britain? Why does it exist? And is it too strict? Starting in 1979, the birth of the domestic video industry - and the first year of the Thatcher government - this critical study explains how the censorship of films both in cinemas and on video and DVD has developed in Britain. As well as presenting a detailed analysis of the workings of the British Board of Film Classification, Petley casts his gaze well beyond the BBFC to analyse the forces which the Board has to take into account when classifying and censoring. These range from laws such as the Video Recordings Act and Obscene Publications Act, and how these are enforced by the police and Crown Prosecution Service and interpreted by the courts, to government policy on matters such as pornography. In discussing a climate heavily coloured by 30 years of lurid 'video nasty' stories propagated by a press which is at once censorious and sensationalist and which has played a key role in bringing about and legitimating one of the strictest systems of film and video/DVD censorship in Europe, this book is notable for the breadth of its contextual analysis, its critical stance and its suggestions for reform of the present system.

Prostitution, Trafficking, and Traumatic Stress Routledge

On Teen Internet Pornography: If you Yahoo 'free teen sex pictures' Yahoo gives you 142,000,000 pages to enjoy...two right clicks of the mouse and you've got a free porn collection
On Creation and Evolution: The debate about creation and evolution is fair game. What is not fair is the efforts of one side to silence the rights of the other to their beliefs and opinions, a wrong historically committed by both sides.
On Homosexuality: Let the debate continue, but let it be infused with truthfulness instead of lies, starting with the scientific fact that people are not born gay.
On Suicide: There, in the middle of the gray, dead cement basement room, a boy hangs from a floor joist above by a length of shipping strapping, its length stretched to its limit, its form cut deeply into the boy's neck...We learn later he was bullied at school.
On Faith: All the arguments in the world for or against Christ don't matter... It all comes down to this; either you want to believe or you don't. And then you live your life accordingly.
Readers of Andrew McIntosh's regular op-ed columns in The Californian—a San Diego area daily newspaper—will instantly recognize the witty, biting prose he uses to drive his points home in his first book, The Two Suggestions. Teens and parents will deeply relate to McIntosh's personal and professional experiences as he shares his orphanage and adoption story, his big city paramedic career, and his various youth advocacy experiences spanning several decades. The Two Suggestions should be mandatory reading for every teenager, parent and youth advocate in America and Canada today. In the new America—secular, immoral, addicted and violent—The Two Suggestions offers today's youth powerful tools to thrive in the face of confusion, anger and social chaos.

Sustaining Safe Sex University of Chicago Press

This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work - identity, discourse, normativity and relationality. The terms 'queer' and 'theory' are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations, in an effort to map the relations and disjunctions between them. These contributors are especially attendant to the many theoretical discourses intersecting with queer theory,

including feminist theory, LGBT studies, postcolonial theory, psychoanalysis, disability studies, Marxism, poststructuralism, critical race studies and posthumanism, to name a few. This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking, while also signposting several fruitful avenues for future research. This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom.
