The Brethren Random House (NY) Supreme Court Justice Antonin Scalia in his own words: the definitive collection of his opinions, speeches, and articles on the most essential and vexing legal questions, with an intimate foreword by Justice Elena Kagan “[Scalia’s writings] are as readable today as they were when they first appeared. . . . Especially illuminating to anyone who wants to unlock the mystery of why Ginsburg admired Scalia—or who wants to get a sense of where the Supreme Court may be headed.”—The Wall Street Journal A justice on the United States Supreme Court for three decades, Antonin Scalia transformed the way that judges, lawyers, and citizens think about the law. The Essential Scalia presents Justice Scalia on his own terms, allowing readers to understand the reasoning and insights that made him one of the most consequential jurists in American history. Known

for his forceful intellect and remarkable wit, Scalia mastered the art of writing in a way that both educated and entertained. This comprehensive collection draws from the best of Scalia’s opinions, essays, speeches, and testimony to paint a complete and nuanced portrait of his jurisprudence. This compendium addresses the hot-button issues of the times, from abortion and the right to bear arms to marriage, free speech, religious liberty, and so much more. It also presents the justice’s wise insights on perennial debates over the structure of government created by our Constitution and the proper methods for interpreting our laws. Brilliant and passionately argued, *The Essential Scalia* is an indispensable resource for anyone who wants to understand our Constitution, the American legal system, and one of our nation’s most influential and highly regarded jurists and thinkers. *Something Unbelievable* Hachette

When he resigned last June, Justice Stevens was the third longest serving Justice in American history (1975-2010)--only Justice William O. Douglas, whom Stevens succeeded, and Stephen Field have served on the Court for a longer time. In *Five Chiefs*, Justice Stevens captures the inner workings of the Supreme Court via his personal experiences with the five Chief Justices--Fred Vinson, Earl Warren, Warren Burger, William Rehnquist, and John Roberts--that he interacted with. He reminisces of being a law clerk during Vinson's tenure; a practicing lawyer for Warren; a circuit judge and junior justice for Burger; a contemporary colleague of Rehnquist; and a colleague of current Chief Justice John Roberts. Along the way, he will discuss his views of some the most significant cases that have been decided by the Court from Vinson, who became Chief Justice in 1946 when Truman was President, to Roberts, who became Chief Justice in 2005. Packed with interesting anecdotes and stories about the Court, *Five Chiefs* is an

unprecedented and historically significant look at the highest court in the United States.

The Snail Darter and the Dam Little, Brown

The life of John Marshall, Founding Father and America's premier chief justice. In 1801, a genial and brilliant Revolutionary War veteran and politician became the fourth chief justice of the United States. He would hold the post for 34 years (still a record), expounding the Constitution he loved. Before he joined the Supreme Court, it was the weakling of the federal government, lacking in dignity and clout. After he died, it could never be ignored again. Through three decades of dramatic cases involving businessmen, scoundrels, Native Americans, and slaves, Marshall defended the federal government against unruly states, established the Supreme Court's right to rebuke Congress or the president, and unleashed the power of American commerce. For better and for worse, he made the Supreme Court a pillar of American life. In *John Marshall*,

Fifth Avenue Larissa
is a stubborn,
brutally honest woman
in her eighties,
tired of her home in
Kiev, Ukraine—tired
of everything really,
except for her
beloved
granddaughter,
Natasha. Natasha is
tired as well, but
that's because she
just had a baby, and
she's struggling to
balance her roles as
a new mother, a wife,
a struggling actress,
and a host to her
husband's slacker
best friend, Stas,
who has been staying
with them in their
cramped one-bedroom
apartment in upper
Manhattan. When
Natasha asks Larissa
to tell the story of
her family's Soviet
wartime escape from

the Nazis in Kiev, she reluctantly agrees. Maybe Natasha is just looking for distraction from her own life, but Larissa is desperate to make her happy, even though telling the story makes her heart ache. Larissa recounts the nearly three-year period when she fled with her self-absorbed sister, parents, and grandmother to a factory town in the Ural Mountains where they faced starvation, a cholera outbreak, a tragic suicide, and where she was torn in her affections for two brothers from a wealthy family. But neither Larissa nor Natasha can anticipate how loudly

these lessons of the past will echo in their present moments. Something Unbelievable explores with piercing wit and tender feeling just how much our circumstances shape our lives and what we pass on to the younger generations, willingly or not.

The Fall of the House of Zeus Jaico Publishing House

A "timely and hugely important" memoir of Justice John Paul Stevens's life on the Supreme Court (New York Times). When Justice John Paul Stevens retired from the Supreme Court of the United States in 2010, he left a legacy of service unequalled in the history of the Court. During his thirty-four-year tenure, Justice Stevens was a prolific writer, authoring more than 1000

opinions. In *The Making of a Justice*, he recounts his extraordinary life, offering an intimate and illuminating account of his service on the nation's highest court. Appointed by President Gerald Ford and eventually retiring during President Obama's first term, Justice Stevens has been witness to, and an integral part of, landmark changes in American society during some of the most important Supreme Court decisions over the last four decades. With stories of growing up in Chicago, his work as a naval traffic analyst at Pearl Harbor during World War II, and his early days in private practice, *The Making of a Justice* is a warm and fascinating account of Justice Stevens's unique and transformative American life.

"I Am a Man" Basic

Books

For the first time ever, a

Justice offers a manifesto on how the Constitution needs to change. By the time of his retirement in June 2010, John Paul Stevens had become the second longest serving Justice in the history of the Supreme Court. Now he draws upon his more than three decades on the Court, during which he was involved with many of the defining decisions of the modern era, to offer a book like none other. **SIX AMENDMENTS** is an absolutely unprecedented call to arms, detailing six specific ways in which the Constitution should be amended in order to protect our democracy and the safety and wellbeing of American citizens. Written with the same precision and elegance that made

Stevens's own Court opinions legendary for their clarity as well as logic, *SIX AMENDMENTS* is a remarkable work, both because of its unprecedented nature and, in an age of partisan ferocity, its inarguable common sense.

Scalia Speaks Crown Publishing Group (NY)
“ Masterful . . . an epic tale of backbiting, shady deal-making, and greed [that] reads like a John Grisham novel. ” —The Wall Street Journal
A real-life legal thriller as timeless as a Greek tragedy, tracing the downfall of one of America ’ s most famous lawyers and exposing the dark side of Southern politics—from the author of *When Evil Lived* in Laurel Dickie Scruggs was arguably the most

successful plaintiff ’ s lawyer in America. A brother-in-law of former U.S. Senate majority leader Trent Lott, Scruggs made a fortune taking on mass tort lawsuits against Big Tobacco and the asbestos industries. He was hailed by *Newsweek* as a latter-day Robin Hood and was portrayed in the movie *The Insider* as a dapper aviator-lawyer. Scruggs ’ s legal triumphs rewarded him lavishly, and his success emboldened both his career maneuvering and his influence in Southern politics—but at a terrible cost, culminating in his spectacular fall, when he was convicted for conspiring to bribe a Mississippi state judge. Based on extensive interviews, transcripts, and FBI recordings never

made public, *The Fall of the House of Zeus* uncovers the Washington legal games and power politics: the swirl of fixed cases, blocked investigations, judicial tampering, and a zealous prosecution that would eventually ensnare not only Scruggs but his own son, Zach, in the midst of their struggle with insurance companies over Hurricane Katrina damages. Featuring Trent Lott and Jim Biden, brother of then-Senator Joe Biden, in supporting roles, with cameos by John McCain, Al Gore, and other Washington insiders, Curtis Wilkie's account of this uniquely American tragedy reveals the seedy underbelly of institutional power.

The Gatekeepers Little, Brown

#1 WALL STREET JOURNAL BESTSELLER * NEW YORK TIMES BESTSELLER New York Times finance editor David Enrich's explosive exposé of the most scandalous bank in the world, revealing its shadowy ties to Donald Trump, Putin's Russia, and Nazi Germany "A jaw-dropping financial thriller" —Philadelphia Inquirer On a rainy Sunday in 2014, a senior executive at Deutsche Bank was found hanging in his London apartment. Bill Broeksmit had helped build the 150-year-old financial institution into a global colossus, and his sudden death was a mystery, made more so by the bank's efforts to deter investigation. Broeksmit, it turned out, was a man who knew too much. In *Dark Towers*,

award-winning journalist David Enrich reveals the truth about Deutsche Bank and its epic path of devastation. Tracing the bank's history back to its propping up of a default-prone American developer in the 1880s, helping the Nazis build Auschwitz, and wooing Eastern Bloc authoritarians, he shows how in the 1990s, via a succession of hard-charging executives, Deutsche made a fateful decision to pursue Wall Street riches, often at the expense of ethics and the law. Soon, the bank was manipulating markets, violating international sanctions to aid terrorist regimes, scamming investors, defrauding regulators, and laundering money for Russian oligarchs. Ever desperate for an American foothold, Deutsche also started doing business with a self-promoting real estate magnate nearly every other bank in the world deemed too dangerous to touch: Donald Trump. Over the next twenty years, Deutsche executives loaned billions to Trump, the Kushner family, and an array of scandal-tarred clients, including convicted sex offender Jeffrey Epstein. Dark Towers is the never-before-told saga of how Deutsche Bank became the global face of financial recklessness and criminality—the corporate equivalent of a weapon of mass destruction. It is also the story of a man who was consumed by fear of what he'd seen at the bank—and his son's obsessive search for the

secrets he kept.
My Own Words
HarperCollins
In 1877, Chief Standing Bear's Ponca Indian tribe was forcibly removed from their Nebraska homeland and marched to what was then known as Indian Territory (now Oklahoma), in what became the tribe's own Trail of Tears. "I Am a Man" chronicles what happened when Standing Bear set off on a six-hundred-mile walk to return the body of his only son to their traditional burial ground. Along the way, it examines the complex relationship between the United States government and the small, peaceful tribe and the legal

consequences of land swaps and broken treaties, while never losing sight of the heartbreaking journey the Ponca endured. It is a story of survival---of a people left for dead who arose from the ashes of injustice, disease, neglect, starvation, humiliation, and termination. On another level, it is a story of life and death, despair and fortitude, freedom and patriotism. A story of Christian kindness and bureaucratic evil. And it is a story of hope---of a people still among us today, painstakingly preserving a cultural identity that had sustained them for centuries before their encounter with Lewis

and Clark in the fall of 1804. Before it ends, Standing Bear's long journey home also explores fundamental issues of citizenship, constitutional protection, cultural identity, and the nature of democracy---issues that continue to resonate loudly in twenty-first-century America. It is a story that questions whether native sovereignty, tribal-based societies, and cultural survival are compatible with American democracy. Standing Bear successfully used habeas corpus, the only liberty included in the original text of the Constitution, to gain access to a federal court and ultimately his

freedom. This account aptly illuminates how the nation's delicate system of checks and balances worked almost exactly as the Founding Fathers envisioned, a system arguably out of whack and under siege today. Joe Starita's well-researched and insightful account reads like historical fiction as his careful characterizations and vivid descriptions bring this piece of American history brilliantly to life. Uncertain Justice Random House
NEW YORK TIMES BESTSELLER • Justice Neil Gorsuch reflects on his journey to the Supreme Court, the role of the judge under our Constitution, and the vital responsibility of each American to keep our

republic strong. As Benjamin Franklin left the Constitutional Convention, he was reportedly asked what kind of government the founders would propose. He replied, “ A republic, if you can keep it. ” In this book, Justice Neil Gorsuch shares personal reflections, speeches, and essays that focus on the remarkable gift the framers left us in the Constitution. Justice Gorsuch draws on his thirty-year career as a lawyer, teacher, judge, and justice to explore essential aspects of our Constitution, its separation of powers, and the liberties it is designed to protect. He discusses the role of the judge in our constitutional order, and why he believes that originalism and textualism are the surest guides to interpreting our nation ’ s founding documents and protecting our freedoms. He explains, too, the importance of affordable

access to the courts in realizing the promise of equal justice under law—while highlighting some of the challenges we face on this front today. Along the way, Justice Gorsuch reveals some of the events that have shaped his life and outlook, from his upbringing in Colorado to his Supreme Court confirmation process. And he emphasizes the pivotal roles of civic education, civil discourse, and mutual respect in maintaining a healthy republic. A Republic, If You Can Keep It offers compelling insights into Justice Gorsuch ’ s faith in America and its founding documents, his thoughts on our Constitution ’ s design and the judge ’ s place within it, and his beliefs about the responsibility each of us shares to sustain our distinctive republic of, by, and for “ We the People. ” The Sun Does Shine Vintage

Wall Street Journal

anchor Brooke Baldwin
explores the phenomenon
of “ huddling, ” when women
lean on one another—in
politics, Hollywood,
activism, the arts, sports,
and everyday
friendships—to provide each
other support,
empowerment, inspiration,
and the strength to solve
problems or enact
meaningful change.
Whether they are facing
adversity (like workplace
inequity or a global
pandemic) or organizing to
make the world a better
place, women are a highly
potent resource for one
another. Through a mix of
journalism and personal
narrative, Baldwin takes
readers beyond the big
headline-making huddles
from recent years (such as
the Women ’ s March,
#MeToo, Times Up, and
the record number of
women running for public
office) and embeds herself

in groups of women of all
ages, races, religions and
socio-economic
backgrounds who are
banding together in
America. HUDDLE
explores several stories
including: The benefits of
all-girls learning
environments, such as
Karlie Kloss ’ s Kode with
Klossy and Reese
Witherspoon ’ s Filmmaker
Lab for Girls in which
young women are given the
freedom to make mistakes,
and find their confidence.
The tactics employed by
huddles of women who
work in male-dominated
industries including a group
of US veterans/Democratic
Congresswomen, a huddle
of African-American judges
in Harris County, Texas,
and an all-female writers
room in Hollywood. The
wisdom of huddling from
trusted pioneers such as
Gloria Steinem, Billie Jean
King, and Madeleine
Albright as well as
contemporary trailblazers

like Stacey Abrams and Ava DuVernay. How professionals such as Chef Dominique Crenn and sports agent Lindsay Colas use their success to amplify other women in their fields. The ways huddles of women are dedicated to making seismic change, including a look at Indigenous women saving the planet, the women who founded Black Lives Matter, the mothers fighting for sensible gun laws, America's favorite female athletes (Megan Rapinoe, Hilary Knight, and Sue Bird to name a few) agitating for equal pay, and female teachers rallying to improve their working conditions. The bond between women who practice self-care and trauma healing together, including the women who courageously survived sexual abuse, and the women who heal together in *The Class* and *GirlTrek*. The ways women are

becoming more intentional about the life-saving power of friendship, including the bonds between military wives, new moms, and nurses getting through the time of Covid. Throughout her examination of this fascinating huddle phenomenon, Baldwin learns about the periods of huddle "droughts" in America, as well as the ways that Black women have been huddling for centuries. She also uncovers how huddling can be the "secret sauce" that makes many things possible for women: success in the workplace, effective grassroots change, confidence in girlhood, and a better physical and mental health profile in adulthood. Along the way, Baldwin takes readers through her own personal journey of growing up in the South and climbing the ladder of a male-dominated industry. Like so many women in her field, she

encountered many sharp elbows on her career path, but became an early believer in adding more seats to the table and huddling with other women for strength and solidarity. In the process of writing *HUDDLE*, Baldwin learns that this seemingly new phenomenon is actually something women have been doing for generations—a quiet, collective power she learns to unlock in her transformation from journalist to champion for women.

The Rule of Five Little, Brown

When he resigned last June, Justice Stevens was the third longest serving Justice in American history (1975-2010) -- only Justice William O. Douglas, whom Stevens succeeded, and Stephen Field have served on the

Court for a longer time. In *Five Chiefs*, Justice Stevens captures the inner workings of the Supreme Court via his personal experiences with the five Chief Justices -- Fred Vinson, Earl Warren, Warren Burger, William Rehnquist, and John Roberts -- that he interacted with. He reminisces of being a law clerk during Vinson's tenure; a practicing lawyer for Warren; a circuit judge and junior justice for Burger; a contemporary colleague of Rehnquist; and a colleague of current Chief Justice John Roberts. Along the way, he will discuss his views of some the most significant cases that have been decided by the Court from Vinson, who became Chief Justice in

1946 when Truman was President, to Roberts, who became Chief Justice in 2005. Packed with interesting anecdotes and stories about the Court, *Five Chiefs* is an unprecedented and historically significant look at the highest court in the United States. Make No Law National Academies Press

A crucial and compelling account of *New York Times Co. v. Sullivan*, the landmark Supreme Court case that redefined libel, from the Pulitzer Prize – winning legal journalist Anthony Lewis. The First Amendment puts it this way: "Congress shall make no law...abridging the freedom of speech, or of the press." Yet, in

1960, a city official in Montgomery, Alabama, sued *The New York Times* for libel—and was awarded \$500,000 by a local jury—because the paper had published an ad critical of Montgomery's brutal response to civil rights protests. The centuries of legal precedent behind the *Sullivan* case and the U.S. Supreme Court's historic reversal of the original verdict are expertly chronicled in this gripping and wonderfully readable book by the Pulitzer Prize Pulitzer Prize – winning legal journalist Anthony Lewis. It is our best account yet of a case that redefined what newspapers—and

ordinary citizens—can print or say. The Chief Vintage A renowned Supreme Court advocate tells the inside story of *Massachusetts v. EPA*, the landmark case that made it possible for the EPA to regulate greenhouse gasses--from the Bush administration's fierce opposition, to the internecine conflicts among the petitioners, to the razor-thin 5-4 victory.

Five Chiefs Pantheon

An incisive biography of the Supreme Court's enigmatic Chief Justice, taking us inside the momentous legal decisions of his tenure so far. John Roberts was named to the Supreme Court in 2005 claiming he would act as a neutral umpire in deciding cases. His critics argue he

has been anything but, pointing to his conservative victories on voting rights and campaign finance. Yet he broke from orthodoxy in his decision to preserve Obamacare. How are we to understand the motives of the most powerful judge in the land? In *The Chief*, award-winning journalist Joan Biskupic contends that Roberts is torn between two, often divergent, priorities: to carry out a conservative agenda, and to protect the Court's image and his place in history. Biskupic shows how Roberts's dual commitments have fostered distrust among his colleagues, with major consequences for the law. Trenchant and authoritative, *The Chief* reveals the making of a justice and the drama on this nation's highest court. The Essential Scalia Yale University Press A revelatory assessment of how the Supreme Court

under Chief Justice John Roberts is significantly influencing the nation's laws and reinterpreting the Constitution includes in-depth analysis of recent rulings to explore their less-understood debates and relevance. 50,000 first printing.

Hugo Black Simon and Schuster

The transition from President Donald J. Trump to President Joseph R.

Biden Jr. stands as one of the most dangerous periods in American history. But as #1

internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the

brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with eyewitness accounts of what really happened. Intimate scenes are supplemented with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making *Peril* an unparalleled history. It is also the first inside look at Biden's presidency as he began his presidency facing the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president.

John Marshall Simon and Schuster
The Brethren is the first detailed behind-the-scenes account of the Supreme Court in action. Bob Woodward and Scott Armstrong have pierced its secrecy to give us an unprecedented view of the Chief and Associate Justices—maneuvering, arguing, politicking, compromising, and making decisions that affect every major area of American life.
