Life Is Like a Musical Running Press Adult
“ The Nate series by Tim Federle is a wonderful evocation of what it ’ s like to be a theater kid. Highly recommended. ” —Lin-Manuel Miranda, star and creator of the musical, Hamilton Winner of the Lambda Literary Award Encore! Nate Foster ’ s Broadway dreams are finally coming true in this sequel to Better Nate Than Ever that Publishers Weekly calls a “ funny, tender coming-of-age story. ” Armed with a one-way ticket to New York City, small-town theater geek Nate is off to start rehearsals for E.T.: The Broadway Musical. It ’ s everything he ever practiced his autograph for! But as thrilling as Broadway is, rehearsals are nothing like Nate expects: full of intimidating child stars, cut-throat understudies, and a director who can ’ t even remember Nate ’ s name. Now, as the countdown to opening night is starting to feel more like a time bomb, Nate is going to need more than his lucky rabbit ’ s foot if he ever wants to see his name in lights. He may even need a showbiz miracle. The companion novel to Better Nate Than Ever, which TheNew York Times called “ inspired and inspiring, ” Five, Six, Seven, Nate! is full of secret admirers, surprise reunions, and twice the drama of middle school...with a lot more glitter.

Clockwiser Simon and Schuster

In a world ruled by machines, a young robot encounters a girl who needs help in this children’s sci-fi adventure—soon to be a major motion picture! Humans went extinct thirty years ago. And twelve-year-old robot XR_935 is just fine with that. Without humans around, there is no war, crime, or pollution. Everything runs smoothly and efficiently. Until the day XR discovers something impossible: a human girl named Emma. Now, Emma, XR, and two other robots must embark on a dangerous voyage in search of a mysterious point on a map. But how will they survive in a place where rules are never broken and humans aren’t even supposed to exist? Narrated in the first person (first robot?) by XR, The Last Human blends humor and action to tell a story about friendship, technology, and challenging the status quo no matter the consequences. It’s not just about what it means to be a robot.

It’s about what it means to be a human./ What We Left Behind Harper Collins Literature, puns, and alcohol collide in this clever follow-up to Tequila Mockingbird, the world’s bestselling cocktail recipes book. How to reconstruct your life? Whether your dream is experiencing high-end world travel, earning a monthly five-figure income with zero management, or just living more and working less, this book teaches you how to double your income, and how to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want.

Green River Rising Random House

Draws on firsthand testimonies and recovered court transcripts to present a scholarly account of the 1955 lynching of Emmett Till and its role in launching the civil rights movement.

A Praying Life Hachette UK The inside story, told with “insight, perspective, and stellar reporting,” of how an unassuming civil servant created trillions of dollars from thin air, combatted a public health crisis, and saved the American economy from a second Great

Depression (Alan S. Blinder, former Vice Chair of the Federal Reserve). By February 2020, the U.S. economic expansion had become the longest on record. Unemployment was plumbing half-century lows. Stock markets soared to new highs. One month later, the public health battle against a deadly virus had pushed the economy into the equivalent of a medically induced coma. America's workplaces—offices, shops, malls, and factories—shuttered. Many of the nation's largest employers and tens of thousands of small businesses faced ruin. Over 22 million American jobs were lost. The extreme uncertainty led to some of the largest daily drops ever in the stock market. Nick Timiraos, the Wall Street Journal's chief economics correspondent, draws on extensive interviews to detail the tense meetings, late night phone calls, and crucial video conferences behind the largest, swiftest U.S. economic policy response since World War II. Trillion Dollar Triage goes inside the Federal Reserve, one of the country's most important and least understood institutions, to chronicle how its plainspoken chairman, Jay Powell, unleashed an unprecedented monetary barrage to keep the economy on life support. With the bleeding stemmed, the Fed faced a new challenge: How to nurture a recovery without unleashing an inflation-fueling, bubble-blowing money bomb? Trillion Dollar Triage is the definitive, gripping history of a creative and unprecedented battle to shield the American economy from the twin threats of a public health disaster and economic crisis. Economic theory and policy will never be the same.

The Starlight Claim Hachette UK
Rising star author-illustrator

Ethan M. Aldridge delivers a fantasy adventure with all the makings of a classic. Illustrated with over two-hundred pages of watercolor paintings, this epic graphic novel is perfect for fans of Amulet. Edmund and the Childe were swapped at birth. Now Edmund lives in secret as a changeling in the World Above, his fae powers hidden from his unsuspecting parents and his older sister, Alexis. The Childe lives among the fae in the World Below, where being a human makes him a curiosity at the royal palace. But when the cruel sorceress Hawthorne seizes the throne, the Childe and Edmund must unite on a dangerous quest to save both worlds—even if they're not sure which world they belong to. "A splendid tale of faery magic and adventurous siblings, all told in gorgeously rendered watercolor panels: this is exactly my kind of thing." —Ben Hatke, author and illustrator of the New York Times bestselling Zita the Spacegirl trilogy "It's got dragons. It's got drama. It's got depth. And it's got me impatiently awaiting Ethan M. Aldridge's next eye-popping adventure." —Tim Federle, award-winning author of Better Nate Than Ever and Five, Six, Seven, Nate! "A compelling story about finding identity in a world where magic dangers lurk just around the corner. I loved Estranged!" —Molly Ostertag, author-illustrator of The Witch Boy

Mistakes Were Made Little, Brown Books for Young Readers
Twelve-year-old Danny O'Carolan and his sister, Kathleen, arrive in New York City in 1863, at the height of the Civil War. Kathleen finds a job in domestic service for herself and Danny, hoping to keep Danny from being drafted into the US Army as a drummer boy. As he explores the city and shares his talent for Irish dancing, Danny discovers the vast variety of New York's neighborhoods. With the threat of the draft pitting Irish immigrants against the free Black population, stoking tensions between the rich and the poor, and threatening the life Danny hopes to build, can he find a safe place to call home?

Last of the Name Random House Books for Young Readers

Blood Done Sign My Name Simon and Schuster

Resolving to earn so much money that his mother will no longer stress out over the bills, eleven-year-old Timmy Failure launches a detective business with a lazy polar bear partner named Total but finds their enterprise "Total Failure, Inc." challenged by a college-bound spy and a four-foot-tall girl whom Timmy refuses to acknowledge. **Sherman Crunchley** Turtleback Books

Matt has always been nothing but a clone - an exact replica, grown from a strip of old El Patron's skin. Now, age fourteen, Matt suddenly finds himself thrust into the position of ruling over his own country, Opium, on the one-time border between the US and Mexico, stretching from the ruins of San Diego to the ruins of Matamoros. But while Opium thrives, the rest of the world has been devastated by ecological disaster... and hidden somewhere in Opium is the cure. And that isn't all that's hidden within the depths of Opium. Matt is haunted by the ubiquitous army of eejits, zombie-like workers harnessed to the old El Patron's sinister system of drug growing... people stripped of the very qualities which once made them human. Matt wants to use his newfound power to help stop the

suffering, but he can't even find a way to smuggle his childhood love Maria across the border and into Opium. Instead, his every move hits a roadblock - both from the traitors that surround him and from a voice within himself. For who is Matt really but the clone of an evil, murderous dictator?

Trillion Dollar Triage Candlewick Press

What does it take for lasting change to take root in your life? If you've ever tried, failed, and wondered what you could do differently, you need to read *How People Change*. In the book, biblical counseling experts Timothy S. Lane and Paul David Tripp explain the biblical pattern for change in a clear, practical way you can apply to the challenges of daily life. But change involves much more than just a biblical formula: you will see how God is at work to make you the person you were created to be. That powerful, loving, redemptive relationship is at the heart of all positive change you experience. A changed heart is the bright promise of the gospel, but many of us wonder if we'll ever see lasting change take root in our lives. When the Bible talks about the gift of a new heart, it doesn't mean a heart that is immediately perfected, but a heart that is capable of being changed. Jesus's work on the cross targets our hearts, our core desires and motivations, and when our hearts change, our behavior changes. *How People Change* targets the root of a person: the heart. When our core desires and motivations change, only then will behavior follow. Using a biblical model of Heat, Thorns, Cross, and Fruit, Paul David Tripp and Timothy S. Lane reveal how lasting change is possible. You don't need to be stuck anymore. In Christ, you are a new creation. The old has gone and the new has come. Includes a foreword by David Powlison.

How People Change Harvest House Publishers

From Nate Powell, the National Book Award-winning artist of *March*, a collection of graphic nonfiction essays about living in a new era of necessary protest—now with sixteen pages of new material. In seven interwoven comics essays, author and illustrator Nate Powell addresses living in an era of what he calls “necessary protest.” *Save It for Later: Promises, Parenthood, and the Urgency of*

Protest is Powell's reflection on witnessing the collapse of discourse in real-time while illustrating the award-winning trilogy *March* by Congressman John Lewis and Andrew Aydin, this generation's preeminent historical account of nonviolent revolution in the civil rights movement. Powell highlights both the danger of normalized paramilitary symbols in consumer pop culture and the roles we play individually as we interact with our communities, families, and society at large. Each essay tracks Powell's journey from the night of the election—promising his four-year-old daughter that Trump will never win—to the reality of the authoritarian presidency, protesting the administration's policies, and navigating the complications of teaching his children how to raise their own voices in a world that is becoming increasingly dangerous and more and more polarized. While six of the seven essays are new, unpublished work, Powell has also included “About Face,” a comics essay first published by Popula Online that swiftly went viral and inspired him to write *Save It for Later*. The seventh and final essay was written after the 2020 presidential election, and examines the outcome of that contest in relation to the events of the last four years, with a particular focus on the COVID-19 pandemic and global protests in the wake of the murder of George Floyd. The updated paperback comes out just in time for the 2022 midterm elections and includes bonus content featuring a conversation between Powell and Derf Backderf, the New York Times-bestselling author of *My Friend Dahmer* and *Kent State*, where they discuss the militarization of civilian spaces and the aftermath of the January 6th insurrection. As Powell moves between subjective and objective experiences raising his children—depicted in their childhood innocence as imaginary anthropomorphic animals—he reveals the electrifying sense of trust and connection with neighbors and strangers in protest. He also explores how to equip young people with tools to best make their own noise as they grow up and help shape the direction and future of this country.

The Bruised Reed and Smoking Flax Random House

The New York Times bestseller with more than 1 million copies sold

worldwide Inspired by the incredible true story of one Jewish family separated at the start of World War II, determined to survive—and to reunite—*We Were the Lucky Ones* is a tribute to the triumph of hope and love against all odds. “Love in the face of global adversity? It couldn't be more timely.” —*Glamour* It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of Radom, Poland. But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety. As one sibling is forced into exile, another attempts to flee the continent, while others struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. An extraordinary, propulsive novel, *We Were the Lucky Ones* demonstrates how in the face of the twentieth century's darkest moment, the human spirit can endure and even thrive.

H.O.R.S.E. Harlequin
From acclaimed author of *A Wolf
Called Wander*, Rosanne Parry
comes an exciting and tender
friendship story about two
cousins looking for their
destiny. On a beautiful day in
June, the ground broke open. In
Japan, you're always prepared
for an earthquake. That's why
Kai knows just what to do when
the first rumbles shake the
earth. But he does the exact
opposite of what you're
supposed to do: He runs. And
then the tsunami hits.
Meanwhile, on the other side of
the Pacific, Kai's cousin Jet
sets sail off the coast of
Astoria, Oregon. She knows she
should have checked the
tide—she always checks the
tide. Except this time she
didn't. When the biggest
mistakes of their lives bring
them together, Jet and Kai
spend the summer regretting
that one moment when they made
the wrong decision. But there's
something about friendship that
heals all wounds, and together,
Jet and Kai find the one thing
they never thought they'd have
again—hope.
