Her doesn't recognize family is about to the boy she used to lose everything, and know--his violent she has almost no behavior is chance of going escalating and it back to college next scares the hell out

of her. Her whole world is crumbling, and she has no one to turn to... Sebastian "Bash" McDaniels is an up and comer in the boxing world working nights at the local college bar until he can land the fight of his dreams that will get him the hell out of Boston and away from his family's tragic past. He's weeks from his goal when Olivia Beckett comes tumbling into his life in a flash of silky dark hair and haunted eyes. When he saves her from a potentially brutal beating, they begin to grow close, but Olivia's ex isn't ready to let her go so easily. Bash can't bring himself to walk away, but fixing Olivia just

might leave him broken... Part Two: Everything she believed in was a lie... After facing the fact that her boyfriend was an abusive sociopath and their entire relationship was a sham, Olivia Beckett is trying to pick up the pieces of her shattered life. If she was the only one suffering for her mistakes, she might be able to handle it. But when she went down, she dragged the one person she never wanted to see hurt down with her... Bash McDaniels was just weeks away from finally blowing out of his hometown to make it as a boxer and never coming back. Saving Olivia Beckett from her violent boyfriend

should've been a speed bump at most, but love stopped him in his tracks. Now, instead of viewing Boston in his rearview mirror, he's viewing it through prison bars... Bash was her savior when she needed him most. Now, Olivia has to find a way to repay the favor, knowing all the while that freeing him might mean losing him forever... Part Three: If he's going down, he's going down swinging... Now that Bash has a second chance with Olivia, he doesn't want to blow it, but if he tells her the truth about his nighttime activities, he could lose her forever. Olivia loves that Bash is willing to stick his neck out

I have my senior year planned: keep my head down, don't make any waves, and get the diploma. I've done the popularity thing at Savage River High, but after two years away, I have no interest in reclaiming my crown. The last

time I put myself in the spotlight, I was left in shambles. Unfortunately, my carefully laid plans go to hell when I grab the attention of dark, forbidding, and brutally hot Sebastian Vega. He looks at me like he wants to kill my puppy or eat me alive. Quite possibly both. Sebastian is everywhere I go, and he's decided I'm the twisted game he wants to play, whether I'm a willing participant or not. The question is...what will I have to lose in order to win? Authors

Note: This is a DARK high school bully romance with mature themes and dubious situations that some readers may find offensive. If you're looking for a nice guy, prince of a hero, this story isn't for you.

From the New York Times bestselling author of Enders Game comes a brand-new series following a teen who wakes up on an abandoned Earth to discover that he 's a clone! Laz is a side-

stepper: a teen with the incredible power to jump his consciousness to alternate versions of himself in parallel worlds. All his life, there was no mistake that a little side-stepping couldn ' t fix. Until Laz wakes up one day in a cloning facility on a seemingly abandoned Earth. Laz finds himself surrounded by hundreds of other clones, all dead, and quickly realizes that he too must be a clone of his original self. Laz has no idea what happened to the world he remembers as vibrant and bustling only

yesterday, and he struggles to survive in the barren wasteland he ' s now trapped in. But the question that haunts him isn ' t why was he created, but instead, who woke him up...and why? There ' s only a single bright spot in Laz ' s new life: one other clone appears to still be alive, although she remains asleep. Deep down, Laz believes that this girl holds the key to the mysteries plaguing him, but if he wakes her up, she ' ll be trapped in this hellscape with him. This is one problem that Laz can ' t just side-step his way out

of.

WITH ME... KARA

Once, when I was young and stupid, I had that boy. The charmer, the Adonis, the one who torched every woman's panties in our small town. He was my brother's best friend, practically part of the family. When he proposed, he promised me forever. Then the bastard disappeared without a word. It's taken five years to get over Ryan. I drowned myself crying a thousand times over. I moved on. I'm finally remembering what it's like to smile when guess who shows up. Everything

about him is different. For one, he's become a freakin' billionaire. He walks like he's Mr. Tall, Dark, and Alpha incarnate. I know there's no justice in the world because his body matches his huge ego. Worse, he wants me to play Cinderella again. I can't. I won't. I don't believe in second chances. I'll never forget what he did. And if he's stupid enough to try kissing me with those unforgettable lips, he's going to feel my teeth. RYAN I did a terrible thing. No, I'm not talking about the filthy secret that wrecked everything. Leaving Kara killed me. I didn't have a choice. No amount of money, success, or bedding any woman I want whenever I flash my patented smirk

makes up for losing her. She was the one. Hell, she still is. Time to remind her why. Whatever it takes to put my ring on her hand for good. I'm ready for the curses, the screams, the burn of her palm against my cheek. I'll taste her lips again, even if she bites. Just one catch - she can't find out what happened the night I left. There are no second chances if my past ruins us. This is a standalone romance novel brimming with temptation, tears, and alpha male explosions. “A vibrantly illustrated biography of Kahlo . . . [Hesse's] drawings and graphics [flow] seamlessly with the narration.”
—Houston Chronicle
One of the most important artists of

the twentieth century and an icon of courageous womanhood, Frida Kahlo lives on in the public imagination, where her popularity shows no signs of waning. She is renowned for both her paintings and her personal story, which were equally filled with pain and anguish, celebration and life. Thousands of words, including her own, have been written about Kahlo, but only one previous biography has recorded her fascinating, difficult life. Frida Kahlo by María Hesse offers a highly unique way of getting to know the artist by presenting her life in graphic novel form,

with striking illustrations that reimagine many of Kahlo's famous paintings. Originally published in Spanish in 2016, *Frida Kahlo* has already found an enthusiastic audience in the Spanish-speaking world, with some 20,000 copies sold in just a few months. This translation introduces English-language readers to Kahlo's life, from her childhood and the traumatic accident that would change her life and her artwork, to her complicated love for Diego Rivera and the fierce determination that drove her to become a major artist in her

own right. María Hesse tells the story in a first-person narrative, which captures both the depths of Frida's suffering and her passion for art and life. "Despite the often light mood of the artwork, the book never shies from weighty consideration of the physical pain and personal loss that gave way—in fleeting but significant moments—to Kahlo's artistic triumph." —Publishers Weekly
