Rebus has more than his share of personal problems, too. He's fresh out of hospital, but won't say how it happened. Could there be a connection with a house-fire and the unfortunate death of a petty criminal who had been harassing Rebus's colleague Siobhan Clarke?

A Question of Blood (ANZ) McFarland

In the mid-1980s, in Edinburgh, Ian Rankin was hatching a plot for a 'crime thriller' from his student digs. Knots & Crosses - like its frayed protagonist John Rebus - was rough around the edges but marked a promising debut. More than a quarter of a century later, Rankin and Rebus have a global following. The series has been both critically acclaimed and commercially popular. Detective John Rebus is anything but conventional. The same can be said of Ian Rankin's innovative texts which take crime fiction far beyond formulaic genre, producing radical, disruptive, borderline texts. In the first ever full-length study of all twenty-one Rebus novels, Rodney Marshall argues that Rankin's fiction continues to break new ground, blurring the boundaries between traditional detective novel and modern literature. November 2016 fifth edition: now includes an exclusive eighteen page interview with Ian Rankin and a chapter on Rather Be The Devil, Rankin's new Rebus novel.

Set in Glasgow in 1981, a time of hunger strikes, riots and unemployment that decimated the old industrial heartlands, The Field of Blood is the first in the tense Paddy Meehan series from Scotland's princess of crime, Denise Mina. Launching her own investigation into the horrific crime, Paddy uncovers lines of deception deep in Glasgow's past, with more horrific crimes in the future if she fails to solve the mystery. Infused with Mina's unique blend of dark humor, personal insights and social injustice, the story grips the reader while challenging our perceptions of childhood innocence, crime and punishment, and right or wrong.

The Hanging Gardens of Babylon... The hanging of four French villagers in World War II... The hanging of an old man in a Scottish cemetery... Seemingly random facts linked to one man... Detective Inspector John Rebus is buried under a pile of paperwork generated by his investigations into a suspected war criminal, and his immediate supervisors are more than happy to have him tucked away in a quiet backwater for several months. However, the escalating dispute between upstart Tommy Telford and Big Ger Cafferty's gang soon gives Rebus an escape clause. Telford is known to have close ties to a man nicknamed Mr. Pink Eyes, a brutal gangster running a lucrative business bringing Chechen refugees into Britain to work as prostitutes. And when Rebus takes under his wing a distraught Bosnian call girl, it gives him a personal reason to make sure Telford takes the high road out of town. Within days, Rebus's daughter is the victim of an all-too-professional hit-and-run, and Rebus knows that there's nothing he won't do to bring down prime suspect Tommy Telford--even if it means cutting a deal with the devil. A chilling glimpse into the darkest extremes of human cruelty, a page-turning literary thriller, The Hanging Garden, the ninth entry in Ian Rankin's award-winning series confirms his reputation as a writer of rare and lasting gifts.

Standing in Another Man's Grave Minotaur Books

The first glimpse of the sea on Marine Drive filled my heart, if not my head. I turned away from the red shadow. I stopped thinking of that pyramid of killers, and Sanjay's improvidence. I stopped thinking about my own part in the madness. And I rode, with my friends, into the end of everything. Shantaram introduced millions of readers to a cast of unforgettable characters through Lin, an Australian fugitive, working as a passport forger for a branch of the Bombay mafia. In The Mountain Shadow, the long-awaited sequel, Lin must find his way in a Bombay run by a different generation of mafia dons, playing by a different set of rules. It has been two years since the events in Shantaram, and since Lin lost two people he had come to love: his father figure, Khaderbhai, and his soul mate, Karla, married to a handsome Indian media tycoon. Lin returns from a smuggling trip to a city that seems to have changed too much, too soon. Many of his old friends are long gone, the new mafia leadership has become entangled in increasingly violent and dangerous intrigues, and a fabled holy man challenges everything that Lin thought he'd learned about love and life. But Lin can't leave the Island City: Karla, and a fatal promise, won't let him go.

A Good Hanging contains twelve remarkable, gritty stories starring Detective Inspector John Rebus in his home city of Edinburgh, as only Ian Rankin can portray it: not just the tearooms and cobbled streets of the tourist brochures, but a modern urban metropolis with a full range of criminals and their victims--blackmailers, peeping Toms, and more than one kind of murderer. It's a city like any other, a city that gives birth to crimes of passion, accidents, and long-hidden jealousy, and a city in which criminal minds find it all too easy to fade into the shadows. As dedicated readers of the series well know, nobody is better equipped to delve into Edinburgh's back alleys and smoky pubs than Rebus, and no one better able to illuminate his world than Ian Rankin.

Ian Rankin Little, Brown

Inspector John Rebus has messed up badly this time, so badly that he's been sent to a kind of

reform school for damaged cops. While there among the last-chancers known as "resurrection men," he joins a covert mission to gain evidence of a drug heist orchestrated by three of his classmates. But the group has been assigned an unsolved murder that may have resulted from Rebus's own mistake. Now Rebus can't determine if he's been set up for a fall or if his disgraced classmates are as ruthless as he suspects. When Detective Sergeant Siobhan Clarke discovers that her investigation of an art dealer's murder is tied to Rebus's inquiry, the two protégé and mentor-join forces. Soon they find themselves in the midst of an even bigger scandal than they had imagined—a plot with conspirators in every corner of Scotland and deadly implications about their colleagues. Ian Rankin & Inspector Rebus Little, Brown

Quirke—the hard-drinking, insatiably curious Dublin pathologist—is back, and he's determined to find his daughter's best friend, a well-connected young doctor April Latimer has vanished. A junior doctor at a local hospital, she is something of a scandal in the conservative and highly patriarchal society of 1950s Dublin. Though her family is one of the most respected in the city, she is known for being independent-minded; her taste in men, for instance, is decidedly unconventional. Now April has disappeared, and her friend Phoebe Griffin suspects the worst. Frantic, Phoebe seeks out Quirke, her brilliant but erratic father, and asks him for help. Sober again after intensive treatment for alcoholism, Quirke enlists his old sparring partner, Detective Inspector Hackett, in the search for the missing young woman. In their separate ways the two men follow April's trail through some of the darker byways of the city to uncover crucial information on her whereabouts. And as Quirke becomes deeply involved in April's murky story, he encounters complicated and ugly truths about family savagery, Catholic ruthlessness, and race hatred. Both an absorbing crime novel and a brilliant portrait of the difficult and relentless love between a father and his daughter, this is Benjamin Black at his sparkling best.

Rebus findet bald Hinweise, dass die Täter eher in der Unterwelt von Edinburgh zu suchen sind, wo mit modernem Sklavenhandel viel Geld verdient wird. Auch im Fall eines vermissten Mädchens laufen alle Fäden im Rotlichtbezirk der Stadt zusammen. Nur die zwei Skelette, die man in einem Keller gefunden hat, scheinen nicht ins Bild zu passen - zumindest nicht auf den ersten Blick ...

Nobody likes The Complaints -- they're the cops who investigate other cops. It's a department known within the force as The Dark Side, and it's where Malcolm Fox works. He's a serious man with a father in a nursing home and a sister who persists in an abusive relationship, frustrating problems about which he cannot seem to do anything. Then the reluctant Fox is given a new case. There's a cop named Jamie Breck, and he's dirty. The problem is, no one can prove it. As Fox takes on the job, he learns that there's more to Breck than anyone thinks -- dangerous knowledge, especially when a vicious murder takes place far too close to home. In The Complaints, Rankin proves again why he is one of the world's most beloved and bestselling crime writers, mixing unstoppable pacing with the deeper question of who decides right from wrong.
