Raised under the racial segregation that kept her family's southern country hotel afloat, Norma Watkins grows up listening at doors, trying to penetrate the secrets and silences of the black help and of her parents' marriage. Groomed to be an ornament to white patriarchy, she sees herself failing at the ideal of

becoming a southern lady. The Last Resort, her compelling memoir, begins in childhood at Allison's Wells, a popular Mississippi spa for proper white people, run by her aunt. Life at the rambling hotel seems like paradise. Yet young Norma wonders at a caste system that has colored people cooking every meal while forbidding their sitting with whites to eat. Once integration is court-mandated, her beloved father becomes a stalwart captain in defense of Jim Crow as a counselor to fiery, segregationist Governor Ross Barnett. His daughter flounders, looking for escape. A fine house, wonderful children, and a successful husband do not compensate for the shock of Mississippi's brutal response to change, daily made manifest by the men in her home. A sexually bleak marriage only emphasizes a growing emotional emptiness. When a civil rights lawyer offers love and escape, does a good southern lady dare leave her

home state and closed society behind? With humor and heartbreak, *The Last Resort* conveys at once the idyllic charm and the impossible compromises of a lost way of life.

"Lie back and think of England ... England, 1904. Two years ago, Captain Archie Curtis lost his friends, fingers, and future to a terrible military accident. Alone, purposeless, and angry, Curtis is determined to discover if he and his comrades were the victims of fate, or of sabotage. Curtis's search takes him to an isolated, ultra-modern country house, where he meets and instantly clashes with fellow guest Daniel da Silva. Effete, decadent, foreign and all too obviously queer, the sophisticated poet is everything the straightforward British officer fears and distrusts. As events unfold, Curtis realizes that Daniel has his

own secret intentions. And there's something else they share-- a mounting sexual tension that leaves Curtis reeling. And as the house party's elegant facade cracks to reveal treachery, blackmail, and murder, Curtis finds himself needing clever, dark-eyed Daniel as he has never needed a man before."--Page 4 of cover.
