"This book on labyrinths is wonderful! It enlarges the traditional catalog of labyrinths so much and so well, being itself labyrinthine," remarked Jean-Luc Nancy, the French philosopher. Sadie Plant, author of Zeroes + Ones: Digital Women and the New Technoculture, has now translated Labyrinth into English. The starting point for this transcript of four lectures is a public art work that Olaf Nicolai installed in Paris in 1998. By exploring and combining a broad spectrum of topics that relate to the theme of the labyrinth, this book serves as both, a reference system to Nicolai's work as well as an independent source book dealing with labyrinthian matter ranging from the minotaur to the floorplans of IKEA. Published in collaboration with Rollo Press.

Bike. Camp. Cook John Wiley & Sons Recipes from the kitchens and restaurants of Italy's new culinary masters, who combine an innate sixth sense for quintessentially Italian flavor with a contemporary approach, defining an exciting new gastronomy. Everybody loves Italian food. It is among the most talked about, written about, and globally popular. But as travelers have sought out culinary experiences in off-the-beaten-path destinations elsewhere in the world, in Italy even consummate foodies eat the same postcard versions of traditional dishes, occasionally making forays into a handful of fine-dining favorites. Yet by far the country's most interesting cuisine is to be found outside of well-trodden establishments, and it's as varied and full of personality as it is delicious. This generation of chefs has come a long way

from their nonna's kitchen: they approach tradition with a respectful yet emancipated perspective; they rethink the formats of the Italian restaurant; they are rediscovering foraging and farming; they introduce serious cocktail programs. This book covers thirty-two chefs and restaurateurs who are reinterpreting the "greatest hits" of Italian dining: from trattorias to fine dining, from aperitivo to pizzerias. Laura Lazzaroni takes her readers on a visual north-to-south tour of this new cucina italiana, stopping at restaurants, inns, farms, and pop-ups all across the country, showing in stories and recipes the multitude of approaches, influences, and ingredients that compose this movement, which is paving the way for the country's gastronomic rebirth.

A rare, intimate account of a world-renowned Buddhist monk's near-death experience and the life-changing wisdom he gained from it "One of the most inspiring books I have ever read."—Pema Chödrön, author of *When Things Fall Apart* "This book has the potential to change the reader's life forever."—George Saunders, author of *Lincoln in the Bardo* At thirty-six years old, Yongey Mingyur Rinpoche was a rising star within his generation of Tibetan masters and the respected abbot of three monasteries. Then one night, telling no one, he slipped out of his monastery in India with the intention of spending the next four years on a wandering retreat, following the ancient practice of holy mendicants. His goal was to throw off his titles and roles in order to explore the deepest aspects of his being. He immediately discovered that a lifetime of Buddhist education and practice had not prepared him to deal with dirty fellow travelers or the screeching of a railway car. He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor, and instead paid for a bed in a cheap hostel. But when he ran out of money, he began his life as an itinerant beggar in earnest. Soon he became deathly ill from food poisoning—and his journey took a startling turn. His meditation practice had prepared him to face death, and now he had the opportunity to test the strength of his training. In this powerful and unusually candid account of the inner life of a Buddhist master, Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near-death experience. By sharing with readers the

meditation practices that sustain him, he shows us how we can transform our fear of dying into joyful living. Praise for *In Love with the World* "Vivid, compelling . . . This book is a rarity in spiritual literature: Reading the intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning, luminosity, and life."—Tara Brach, author of *Radical Acceptance* and *True Refuge* "In Love with the World is a magnificent story—moving and inspiring, profound and utterly human. It will certainly be a dharma classic."—Jack Kornfield, author of *A Path with Heart* "This book makes me think enlightenment is possible."—Russell Brand
