Mastering the Nikon D610 by Darrell Young provides a wealth of experience-based information and insights for owners of the new D610 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions while feeling as if a friend dropped in to share his knowledge. The learning experience for new D610 users goes beyond just the camera itself and covers basic photography technique.

The era of online video has arrived—now make it work for your business In the last year, the world of online video exploded. Hollywood got into the game, professional actors and writers joined in, and independent producers looked to find their niche. Now, companies are wide awake to the opportunities for product and brand promotion as well as customer engagement. So how do you want to fit into the new online video universe? The must-have guide, *Get Seen* by Steve Garfield, the "Paul Revere of video blogging," offers a quick and complete toolkit to get you up to speed on the latest that online video and related media have to offer. Examines success stories of how companies have used online video Presents a series of plans and tools that businesses can follow as they expand onto the social web Provides clear step by step directions on how to record, edit, and export videos, where to post them, how to build a community around their content, and what to do to increase views by making it go viral If you're ready to take full advantage of online video's many benefits, *Get Seen* is the one resource you need.

YouTube and Video Marketing SAGE
 A complete, task-based guide to developing, implementing, and tracking a video marketing strategy
 Online video marketing is crucial in today's marketplace. This guide teaches you proven, practical guidelines for developing and implementing video marketing for your organization. If you're a marketer, advertising professional, consultant, or small business owner, here's a relevant guide to understanding video marketing tactics, developing a strategy, implementing the campaign, and then measuring results. You'll find extensive coverage of keyword strategies and video optimization, distribution and promotion strategies to other sites and blogs, YouTube advertising opportunities, and crucial metrics and analysis. Written in the popular "Hour a Day" format, which breaks intimidating topics down to easily approachable tasks
 Covers previously undocumented optimization strategies, distribution techniques, community promotion tactics, and more
 Explores the crucial keyword development phase and best practices for creating and maintaining a presence on YouTube via brand channel development and customization
 Examines effective promotional tactics, how to optimize video for YouTube and search engine visibility, and metrics and analytics
 Includes case studies, additional resources, a glossary, information about creating and editing video, step-by-step guides, and valuable tutorials
 YouTube and Video Marketing: An Hour A Day gives you the tools to give your clients or your organization a visible, vital marketing presence online
 Pearson Education
 The full-color guide to shooting great video with the Flip Video camera
 The inexpensive Flip Video camera is currently one of the hottest must-have gadgets. It's portable and

connects easily to any computer to transfer video you shoot onto your PC or Mac. Although the Flip Video camera comes with a quick-start guide, it lacks a how-to manual, and this full-color book fills that void! Packed with full-color screen shots throughout, Flip Video For Dummies shows you how to shoot the best possible footage in a variety of situations. You'll learn how to transfer video to your computer and then edit it and share your Flip Video movies. Walks you through the basics of using a Flip Video camera and connecting it to your Mac or PC
 Explains how to shoot footage indoors, outdoors, and even underwater
 Covers editing video footage using FlipShare, Windows Movie Maker, or iMovie
 Shows you how to share Flip Video movies or upload them to YouTube, Facebook, and other sites
 You'll flip out when you discover just how easy a Flip Video camera can be when you have this book by your side!

A classic reference book on user interface design and graphic design for web sites, updated to reflect a rapidly changing market Consistently praised as the best volume on classic elements of web site design, Web Style Guide has sold many thousands of copies and has been published around the world. This new revised edition confirms Web Style Guide as the go-to authority in a rapidly changing market. As web designers move from building sites from scratch to using content management and aggregation tools, the book's focus shifts away from code samples and toward best practices, especially those involving mobile experience, social media, and

accessibility. An ideal reference for web site designers in corporations, government, nonprofit organizations, and academic institutions, the book explains established design principles and covers all aspects of web design--from planning to production to maintenance. The guide also shows how these principles apply in web design projects whose primary concerns are information design, interface design, and efficient search and navigation.
