Sterling Publishing Company, Inc. The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results

that capture their love for one another. *"I Have a Dream" Speech* Usborne Publishing Ltd In Honey Bees: Letters From the Hive, bee expert Stephen Buchmann takes readers on an incredible tour. Enter a beehive--one part nursery, one part honey factory, one part queen bee sanctum--then fly through backyard gardens, open fields, and deserts where wildflowers bloom. It's fascinating--and delicious! Hailed for their hard work and

harmonious society, bees make possible life on earth as we know it. This fundamental link between bees and humans reaches beyond biology to our environment and our culture: bees have long played important roles in art, religion, literature, and medicine--and, of course, in the kitchen. For honey fanatics and all who have a sweet tooth, this book not only entertains and enlightens but also reminds us of the fragility of humanity's relationship with nature. Includes

illustrations and photographs throughout. *UC Hornbooks and Inkwells* Cavendish Square Publishing, LLC Busy elementary librarians need help applying the new AASL Standards Framework, especially in collaboration with social studies teachers seeking to apply the social studies standards framework. This book shows a path forward for both. This book will be a tremendous help

to the busy elementary school librarian who is working with the busy elementary social studies teachers in the school. As they are designing and co-teaching library-based lessons based on the Social Studies Standards Framework, the English Literacy Common Core Standards, and the new American Association of School Librarians Standards (AASL) Learners Framework, these

reproducible applicable lessons will enhance planning and implementation. You'll get ready-to-use lessons as well as model lessons to adapt to the needs of your own curriculum and students. All standards are applied in — with needed handouts — other tools and current lists of recommended resources provided. Lessons are coordinated to common elementary social studies curricula at

indicated grade levels, but can be adapted as template lessons as needed. Current resource lists aid librarians in collection development to support new and current standards. with family. That night they go to bed and dream about his life and all that he accomplished. Culturally Responsive Teaching William H Sadlier Life in an eighteenth-century one-room schoolhouse might be different from today-but like any other pair of siblings, brothers Peter and John Paul get up to plenty of mischief! Readers follow the two as they work with birch-bark paper and hornbooks, play tricks on each other, get in trouble, and celebrate when

John Paul learns to read and write. Verla Kay's trademark short and evocative verse and S. D. Schindler's lively art add humor and character to the classic schoolhouse scenes, and readers will love discovering the differences-and similarities- to their own school days. Early Humans Teaching Resources When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe

members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author. *Spectrum Language Arts, Grade 6* The Rosen Publishing Group, Inc

The achievement of students of color continues to be disproportionately low at all levels of education. More than ever, Geneva Gay's foundational book on culturally responsive teaching is essential reading in addressing the needs of today's diverse student population. Combining insights from multicultural education theory and research with real-life classroom stories, Gay demonstrates that

all students will perform better on multiple measures of achievement when teaching is filtered through their own cultural experiences. This bestselling text has been extensively revised to include expanded coverage of student ethnic groups: African and Latino Americans as well as Asian and Native Americans as well as new material on culturally diverse communication, addressing common myths about language diversity and the effects of "English Plus" instruction.
