W. W. Jacobs was a prolific writer of short stories. His topics were typically humorous and nautical in nature, but they weren't exclusively so. This anthology includes some of his most famous short stories, including "The Monkey's Paw," a story of the supernatural in which a monkey's hand grants three wishes to its owner, but at huge cost. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Up north at the cabin, I am a great gray dolphin. The lake is my ocean... Up north at the cabin, I am a fearless voyageur, guiding our canoe through the wilderness... Up north at the cabin I am always brave -- even in the dark woods, when blood thumps through my head like old Ojibway drums. The magic of summer, the call of the north woods, and the exuberance of childhood imagination combine here to create a book that will be treasured long after the last autumn leaf has fallen.

Work toward the creation of a successful vocabulary program, guided by both academic and content-area terms taken directly from the mathematics and English language arts standards.

Supporting Behavior for School Success Sterling Publishing Company, Inc.

If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

The achievement of students of color continues to be disproportionately low at all levels of education. More than ever, Geneva Gay's foundational book on culturally responsive teaching is essential reading in addressing the needs of today's diverse student population. Combining insights from multicultural education theory and research with real-life classroom stories, Gay demonstrates that all students will perform better on multiple measures of achievement when teaching is filtered through their own cultural experiences. This bestselling text has been extensively revised to include expanded coverage of student ethnic groups: African and Latino Americans as well as Asian and Native Americans as well as new material on culturally diverse communication, addressing common myths about language diversity and the effects of "English Plus" instruction.

Effective and practical coaching strategies for new educators Many teachers are only observed one or two times per year on average—and, even among those who are observed, scarcely any are given feedback as to how they could improve. The bottom line is clear: teachers do not need to be evaluated so much as they need to be developed and coached. In **Get Better Faster: A 90-Day Plan for Coaching New Teachers**, Paul Bambrick-Santoyo shares instructive tools of how school leaders can effectively guide new teachers to success. Over the course of the book, we break down the most critical actions leaders and teachers must take to achieve exemplary results. Designed for coaches as well as beginning teachers, **Get Better Faster** is an integral coaching tool for any school leader eager to help their teachers succeed. It's the book's focus on what's practical and actionable that drives its effective approach to coaching. By practicing the concrete actions and micro-skills listed here, teachers will markedly improve their ability to lead a class, producing a steady chain reaction of future teaching success. Though focused heavily on the first 90 days of teacher development, it's possible to implement this work at any time. Junior and experienced teachers alike can benefit from the guidance of **Get Better Faster** and close existing instructional gaps. Packed with practical training tools, including agendas, presentation slides, a coach's guide, handouts, planning templates, and 35 video clips of real teachers at work, **Get Better Faster** will teach you: The core principles of coaching: Go Granular; Plan, Practice, Follow Up, Repeat; Make Feedback More Frequent Top action steps to launch a teacher's development in an easy-to-read scope and sequence guide It also walks you through the four phases of skill building: Phase 1 (Pre-Teaching): Dress Rehearsal Phase 2: Instant Immersion Phase 3: Getting into Gear Phase 4: The Power of Discourse Perfect for new educators and those who supervise them, **Get Better Faster** will also earn a place in the libraries of veteran teachers and school administrators seeking a one-stop coaching resource.

"Rapper MC Baba Brinkman brings his performance piece "The Rap Canterbury Tales" to the printed page, resurrecting Chaucer's brilliant stories that will once and again delight and edify both live audiences and readers - a rebirth of what poetry should be in its essence, and once was. Since Chaucer has become an unassailable icon of print culture, and hip-hop is an unassailable icon of contemporary digital cool, Brinkman saw this radical new fusion of content and style as the perfect medium to deliver Chaucer timeless message to a younger generation. The raps are presented here along with Chaucer's original Middle English, Brinkman's explanatory introduction, and his brother and stage manager Erik's illustrations."--BOOK JACKET.

Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning. In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Weyward Macbeth, a volume of entirely new essays, provides innovative, interdisciplinary approaches to the various ways Shakespeare's 'Macbeth' has been adapted and appropriated within the context of American racial constructions. Comprehensive in its scope, this collection addresses the enduringly fraught history of 'Macbeth' in the United States, from its appearance as the first Shakespearean play documented in the American colonies to a proposed Hollywood film version with a black diasporic cast. Over two dozen contributions explore 'Macbeth's' haunting presence in American drama, poetry, film, music, history, politics, acting, and directing - all through the intersections of race and performance.
