Or have you failed the test before and still aren't sure what the right answers are? Do you want to pass your DMV written exam without getting stumped on tricky questions? You might've heard that the driver's license test in Florida is immensely difficult, regardless of your driving experience. Plenty of out-of-staters will tell you horror stories of how they failed terribly on the written exam... despite years of driving under their belts. And it's even scarier if you've never been behind the wheel.
