Chief Officer Jones & Bartlett Learning

For his first book, Chief Billy Goldfeder, a 40-year fire service veteran, solicited insights and pearls of wisdom from our country's greatest firefighters, fire officers and emergency responders. The stories that make up this unprecedented collection share many perspectives of the emergency service experience and offer invaluable, often hard-won, lessons learned. Every firefighter, from probie to veteran, can find something to take away from these factual, real-life, first-hand stories, which offer a range of emotions—from wit to heartache and basic common sense. Features: • Introductions by Billy Goldfeder to each chapter • Chapters written by a very diverse group of more than 80 well-known fire service veterans • Experiences of some of the best names in the fire service that most of us would not have the opportunity to learn from directly Chief Goldfeder is donating 100% of his royalties equally to the Chief Ray Downey Scholarship and the National Fallen Firefighters Foundation. Every

contributor fully supported the benevolent mission of this book.

The Complete Fire Officer III and IV Training Solution! Chief officers need to know how to make the transition from company officer to chief officer. Chief Officer: Principles and Practice is designed to help make the transition from company officer to chief officer a smooth evolution. Covering the entire scope of Levels III and IV from the 2009 Edition of NFPA 1021, Standard for Fire Officer Professional Qualifications, Chief Officer combines current content with dynamic features and interactive technology to better support instructors and to help prepare future chief officers to become problem-solving leaders for their organizations. Chief Officer: Principles and Practice has a clear focus on instilling fire fighter safety throughout an organization's culture. Reducing fire fighter injuries and deaths requires the dedicated efforts of every fire fighter, fire officer, and fire department. The entire fire community must work together to achieve one common goal: to ensure that everyone goes home. Chief officers therefore set the tone for safety in their organization, and this textbook embraces that philosophy. It is with this goal in mind that the 16 Firefighter Life Safety Initiatives, developed by the National Fallen Firefighters Foundation, are integrated throughout the text. The features in this textbook will help students take that extra step toward becoming outstanding chief officers. These features include: • Scenario-Based Learning. You Are the Chief Officer and Chief Officer in Action are found in each chapter to encourage and foster critical thinking skills. • Practical Tips for the Chief Officer. Chief Officer Tips and Voices of Experience essays are integrated into each chapter to provide helpful advice from experienced chief officers. • Level IV Job Performance Requirements. Fire Officer Level IV content is highlighted to discern Level III JPRs from Level IV. • Walk the Talk. Additional activities encourage students to take what they have learned in the chapter and apply it to their own department.
