teacher you have. (I  
had two FLVS Algebra  
II teachers because I  
had to get switched to  
another teacher when  
she had too many  
students.) The first  
teacher usually asked  
me like two or three  
quick and easy  
questions that you had

to answer on the spot.

Like she'd say for  
example, write down  
this problem:  $x+1=1$ ,  
so what is x?
