When they first arrived, they came quietly and stealthily as if they tip-toed into the world when we were all looking the other way. Ade loves living at the top of a tower block. From his window, he feels like he can see the whole world stretching out beneath him. His mum doesn't really like looking outside but it's going outside that she hates. She's happier sleeping all day inside their tower, where it's safe. But one day, other tower blocks on the estate start falling down around them and strange, menacing plants begin to appear. Now their tower isn't safe anymore. Ade and his mum are trapped and there's no way out...

A New York Times Notable Book: A woman learns the truth about her husband's deceptions in this "superb" novel by the bestselling author of *Gone to Soldiers* (Boston Herald). After a cross-country tour promoting her latest cookbook, Daria Walker is ready to return to her beautiful home in an affluent Boston suburb and her beloved husband, Ross, a prominent attorney whose rough-hewn good looks have never stopped charming her. But when she arrives, he blindsides her by announcing he wants a divorce. Surprised and devastated, Daria suspects he may be having an affair, but the reality is far worse and will tear apart the illusion of her perfectly happy family. When a boy dies tragically and a scandal erupts involving a mercenary slumlord, Daria is outraged along with the rest of the city. But when she learns that Ross may have a connection to the case, she sets out on a journey to discover the truth—a quest that will cast a shadow over the comfortable life she once enjoyed. From the New York Times–bestselling author of *Woman on the Edge of Time*, *Fly Away Home* is the story of a woman forced to question her values, her relationships, and herself—a tale of love, betrayal, and revenge set against a backdrop of sterile suburbs, confrontational politics [and] the evils of gentrification" (The New York Times).

'Clean freak' Maggie tries so hard to keep her life in order but is foiled at every turn. The descendent of second generation Norwegian immigrants to America, she grows up in New Jersey, spending her summer vacations on an idyllic island in Norway. Later, in the wake of an abusive marriage, she and her three young children leave America and return to the Nordic Island of her ancestors, where she rekindles a relationship with her childhood sweetheart. Pulled between two worlds, her life continues as she seeks meaning, identity and happiness. With her true love by her side and three more children to care for, Maggie discovers her traveling days are far from over. Life's unexpected twists see her return to America before being catapulted to the Netherlands. At last she can begin to make sense of her experiences until, that is, she is on the move again. In the process she learns that life comes full circle, from the hopes and dreams of her forebears to the place where she can finally find peace and come to terms with her past. Follow this Jersey girl as she flies back and forth across the Atlantic Ocean looking for love and a place to call home. "A heartfelt book that covers the push-pull effect of growing up in two cultures and related with searing honesty." Apple Gidley, author of *Expat Life*, *Slice by Slice* www.expatapple.com "The open, honest and heartfelt reminiscences of a New Jersey girl faced with the challenges and delights of a multicultural family." Carla Walker, AWC Book Club, The Hague "Written with candour, a philosophical approach, and a love for places and people." Laura J Stephens, author of *Lone Star State: an Inconvenient Posting*, an expat wife's memoir of lost identity. "Maggie's living the 'American Dream' until it turns into an 'American Nightmare'." This heartfelt book welcomes us into her home, in three different countries." Barbara S. Baron, Professor Brookdale Community College, NJ www.brookdalecc.edu

This is my true story and experiences. I'm just an ordinary guy who was lucky enough to spend 14 years working in a unique and unusual job working for a company called NAAFI where as a civilian I helped run and then managed a small shop on board Royal Navy Warships. Follow my ups and downs. highs and lows share my adventures, laughs and tears as i travelled the world selling sweets to sailors. I suggest this book is best suited for persons aged 14 and over, as some of the content though mild is very suggestive.

A nation on the verge of a new era-and a girl caught between her past and the ever-expanding present. Now a Los Angeles Times Bestseller! The year is 1972, and the beaches of Los Angeles are the center of the world. Dropping into the embers of the drug and surf scene is Suzy Whitman, who has tossed her newly minted Vassar degree aside to follow her older sister into open skies and the borderless adventures of stewardessing for Grand Pacific Airlines. In Sela del Mar, California-a hedonistic beach town in the shadow of LAX- Suzy skateboards, suntans, and flies daily and nightly across the country. Motivated by a temporary escape from her past and a new taste for danger and belonging, Suzy falls into a drug-trafficking scheme that clashes perilously with the skyjacking epidemic of the day. Rendered in the brilliant color of the age and told with spectacular insight and clarity, *Fly Me* is a story of dark discovery set in the debauchery of 1970s Los Angeles.

The #1 New York Times bestselling author returns to the characters in *Firefly Lane* in her next blockbuster novel, *Fly Away*. Once, a long time ago, I walked down a night-darkened road called *Firefly Lane*, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. TullyandKate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate---to be there for Kate's children---but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous,

shadowy world. Dorothy Hart---the woman who once called herself Cloud---is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant, powerful journey of redemption. Each has lost her way, and they will need each one another---and maybe a miracle---to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, *Fly Away* reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.

Chuck's first book, *Short, Shorter and Shorter Stories* was a finalist for book of the year, 2005. His second book, *Osmis, the Cursed Egyptian Maiden*, "is a trip through history that makes history fun to read." wrote one reader. Now, he has collected a second volume of short stories to rival the first book. Again we have writing contest winners among the many stories as well as Benjamin, the hard luck juvenile. Human-interest tales, crime, war and fairy tales are set into a variety of numerical groups and time frames. There are stories for some of the commandments, for each season, for each month, the days of the week, even a few for a minute of time. As in the first book the stories are intended for the reader with a little time to kill in the doctor's waiting room, the airport, in the car waiting for the kids to finish practice or get out of school or just to spend some leisure time. Not to give plots away, but just imagine a complete story in four sentences, with a reversed ending you didn't expect. Or being so familiar with the characters in a story that you never thought it could end differently, but it does. Be prepared to enjoy the unexpected, convoluted endings to some stories, then, when you think you know what's coming...No. I'm not going to spoil it for you.

Sheltered and shy, Saengsuree Rangsri takes refuge in the Dhamma as her life shatters at the untimely deaths of her parents. Determined to carry out their wishes and fulfill her dream, she returns to San Francisco where she enrolls in a culinary academy with one simple goal in mind, a career as an aspiring chef. Steve Woods isn't just a handsome and playful classmate. A tall, blond, blue-eyes chef from Santa Fe--ten years her junior, quickly becomes her closest friend, but to be 'just friends' isn't quite enough for Steve. Undeterred by Steve's objection, Saengsuree impulsively accepts an offer to work for Maxus Davis, a rugged and ruthless billionaire, at his Ranch House in Santa Barbara. Once vowed never to fall in love, Saengsuree finds herself caught up in a whirlwind of steamy affairs he initiates, fighting the feelings she dares not name. And the last thing she wants is to be caught in his arms by Josephine Bells, a glamorous businesswoman he's about to marry. With Steve's help and the memory she buries deep inside, Saengsuree starts anew in San Francisco doing what she loves as an assistant pastry chef at a prominent hotel, not knowing an engagement cake she creates with all her passion for the prestigious couple will bring back her past and her heartbreak all too soon. Can she move on and start with the man who loves her unconditionally when another man wants her back? Reuniting with Steve in Santa Fe, Saengsuree is faced with choices that make her

search deep within herself and a decision that could change her life forever. Fly Me Home will take you along Saengsuree's pursuit of her dreams, as she discovers the true meaning of love, friendship, and ultimately, the meaning of life. Growing up with her nose in a book, Sage Aron enjoys photographing and making arts, crafts and cakes when she's not reading. Sage called San Francisco home for many years and currently lives in California and Thailand. Fly Me Home is her first novel.

Madeline Holt believes she has been impregnated by the sperm of her deceased husband. Her elation is short-lived when she learns there has been a mistake at the lab. The true biological father is Kurt Williams, a corporate pilot who has been in remission from Hodgkin's disease and is only a year from being considered cured. Kurt and Madeline are shocked and resentful. The one thing they agree on is she will not terminate her pregnancy. In poignant displays of love and emotion, they face the challenges of ironing out their differences, one leap of faith at a time. And they help each other live in the light of the present rather than the uncertainty of the future.

Down through the years with my unusual amount of engine failures, over 18, most pilots with total engine failures usually died. Also, how many 16 year old teenagers have thumbed and hopped the freight trains to see the states from coast to coast and border to border, starting with a twenty dollar bill? Not only is this an interesting, fun read, but it has some simple rules that help to keep pilots in general aviation alive, even the best. Before retiring from the airline, I met a flight instructor that had instructed at the same airport in Monroeville years before. He was an excellent pilot. He told me he was ferrying airplanes all over the world, even single engine aircraft. I was amazed that he would fly over the ocean to reach some of the countries with a single engine airplane. The last thing I asked him, "What will you do if the engine quits?" He just laughed. A few years later his picture was on the front page of a Pittsburgh newspaper. He was flying near the Canary Islands and his engine quit. They never found him. So, if you have any pilot friends, you may want to give them a copy of this book if only to read the chapter on, "Staying Alive".
