Hearts' fly-on-the-wall  
documentary follows

series on Amazon. 3 / 5. The

their woeful 2019-20

Fly-on-the-wall is a style of  
documentary-making used in film  
and television production. The name  
derived from the idea that events  
are seen candidly, as a fly on a  
wall might see them. In the purest  
form of fly-on-the-wall  
documentary-making, the camera  
crew works as unobtrusively as  
possible; however, it is also  
common for participants to be  
interviewed, often by an off-  
camera voice.
