There's a reason why Dave Grohl is known, however naively, as "the nicest man in rock." A reason why millions have bought his Foo Fighters albums and DVDs, his concert and festival tickets. A reason why generations have bought into his story, his dream, his self-fulfilling prophecies. Dave may not have the savant glamour of Nirvana's Kurt Cobain, but whereas Kurt dwelled in darkness, Dave was a lover, not a loner, a bringer of light. Foo Fighters: Learning to Fly is his story, and therefore the true story of the Foo Fighters—like it's never been told before. From Grohl's days as the new kid in Nirvana, to becoming the Grunge Ringo of the Foo Fighters, to where he is now: one of the biggest, most popular male rock stars in the world. Internationally acclaimed rock writer Mick Wall tells us how and why none of this happened by accident in a style that pulses with rock's own rhythms. With testimony from true insiders, including former band mates, like Nirvana bass player Krist Novoselic, producers, record company executives, and those closest to Grohl and the Foes, this is the first full, explosive, no-holds-barred biography of the band and their otherwise critically bulletproof leader.

Now in its fourth edition, Armed and Dangerous is the first-hand account of Kasrils's years in both the liberation struggle and in government. Kasrils gives an insider's account of the workings of Umkhonto weSizwe, the armed wing of the ANC. Nicknamed 'The Red Pimpernel' by the South African press and public for slipping in and out of South Africa in disguise to run secret missions, Kasrils narrowly escaped arrest in several close shaves with security forces. Following the arrests of Mandela and other ANC leaders, he fled into hiding overseas, became one of the key commanders of Umkhonto weSizwe and set up training camps in Tanzania, Cuba and elsewhere.

Armed and Dangerous is dedicated to the Born Frees, the generation born after the attainment of a democratic South Africa in 1994, to help them understand the struggle and carry on where we left off to make South Africa a better place for all who live in it.

"I think this might be the best YA novel . . . I've ever read." —John Green
From E. Lockhart, author of We Were Liars—the New York Times bestselling phenomenon—and the uproarious and heartwarming Ruby Oliver books, comes a fast-paced and hysterically funny novel that answers the question: What would it be like to be a fly on the wall in the boy's locker room? At the Manhattan School for Art and Music, where everyone is "different" and everyone is "special," Gretchen Yee feels ordinary. She's the kind of girl who sits alone at lunch, drawing pictures of Spider-Man, so she won't have to talk to anyone; who has a crush on Titus but won't do anything about it; who has no one to hang out with when her best (and only real) friend Katya is busy. One day, Gretchen wishes that she could be a fly on the wall in the

boys' locker room—just to learn more about guys. What are they really like? What do they really talk about? Are they really cretins most of the time? Fly on the Wall is the story of how that wish comes true.

The first in a series of humorous books about disgusting creatures, The Fly is a look at the common housefly. It covers such topics as the hair on the fly's body (requires a lot of shaving), its ability to walk on the ceiling (it's pretty cool, but it's hard to play soccer up there), and its really disgusting food tastes (garbage juice soup followed by dirty diaper with rotten tomato sauce, for example). Although silly and off-the-wall, The Fly contains factual information that will both amuse and teach at the same time.

In these dark, witty short stories, Katy Wimhurst creates off-kilter worlds which illuminate our own. Here, knitting might cancel Armageddon. A winged being yearns to be an archaeologist. Readers are sucked into a post-apocalyptic London where the different rains are named after former politicians. An enchanted garden grows in a rented flat. Magical realism meets dystopia, with a refreshing twist. Advance Praise: 'An iridescent, compelling collection. Darkly magical in all the right ways.' - Irenosen Okojie, author of Nudibranch and Speak Gigantular 'Tales of the unexpected... a refreshing and humorous collection illuminating the author's vast imagination and gift for merging people, place and politics in well crafted stories. Wimhurst's cultural allusions and social commentary might make you laugh or glance sideways, but there are always sparks of human hope amongst the dystopian debris. One ticket here please, open return.' - Emma Kittle-Pey, author of Gold Adornments and Fat Maggie. 'These are fresh and exciting pieces, and I loved the sense of these unsettling off-kilter worlds, reminiscent of M John Harrison's You Should Come With Me Now (Comma Press). I think readers will enjoy the author's skilful balance of wit and playfulness with dark and frightening things; magical realism with a melancholy and often chilling twist.' - Anna Vaught, author of Saving Lucia and Famished. 'Katy Wimhurst finds hope in dystopias; colour in the bleakest of worlds. Her art is in combining charming whimsy with weighty social issues and, in the balance, delighting and surprising her reader. Her rich imagination and fresh, clean writing is, at all times, a pleasure.' - Petra McQueen, founder of The Writers' Company 'Katy Wimhurst's stories are enchanting. They appear beguilingly simple yet contain layers of meaning and mystery. Although often comical, each story has a hidden steel core - an environmental message that we need to cherish our planet and be compassionate to one another. She specialises in dystopias - in societies overwhelmed by the threats we fear - but even here the endings sound a positive note. We remain enchanted.' - Dorothy Schwarz, author of Behind a Glass Wall and Simple Stories about Women. Extract: Ticket to Nowhere "Destination?" asked the woman in the railway ticket office. She had pink blotchy skin and dark bags under her eyes. "Nowhere," I said. "Single or return?" "Can I get an open return for the next train?" "Not during peak hours." I sighed. "Okay, single then." I had no idea how long I would be in Nowhere, but had taken a few days off work, anyway. "That'll be £35." "For a one-way ticket to Nowhere? That's a complete rip-off!" "Take it or leave it," the woman said flatly. "Nowhere's the cheapest destination on offer. I can do Elsewhere for £44 or Somewhere for £52. We have a special offer to Everywhere for £99, which includes free vouchers for a Nirvana milkshake and Armageddon hamburger." "I need a ticket to Nowhere." I opened my purse and handed over the money. "When does the next train leave?" "In five minutes from platform three." I took the ticket, picked up my suitcase, and followed the signs to platform three. Pacing resolutely, I was conscious of the click-click of my high heeled boots on the floor. It was dark outside apart from the dim lamps that lit the platform at intervals. A lonely half-

moon was hovering high above, and I turned up the collar of my woollen overcoat.
