Get in Shape With a Manual Treadmill.

Whether you are an avid athlete or are just starting out on your fitness journey, a manual treadmill for running is an excellent addition to your regimen. A manual treadmill eliminates the hassle of constantly adjusting the settings. It ultimately empowers you to work out at your own pace and is excellent for steady pace walking, jogging, and interval training alike.

Manual treadmills are also shorter than motorized treadmills, making them a good choice if space is an issue. These treadmills work well for walking. Keep in mind that it will take a little more energy

to get these machines started initially- this may be a good thing if you are looking to burn a few extra calories.
