Ferguson's Careers in Focus

books are a valuable career exploration tool for libraries and career centers. Written in an easy-to-understand yet informative style, this series surveys a wide array of commonly held jobs and is arranged into volumes organized by specific industries and interests. Each of these informative books is loaded with up-to-date career information presented in a featured industry article and a selection of detailed professions articles. The information here has been researched, vetted, and

---

analyzed by Ferguson's editors, drawing from government and industry sources, professional groups, news reports, career and job-search resources, and a variety of other sources. For readers making career choices, these books offer a wealth of helpful information and resources. Each profession article includes:

Quick Facts: a snapshot of important job facts

Overview: briefly introduces duties and responsibilities

History: describes the origins and history of the job The

Job: describes primary and secondary goals and duties

Earnings: discusses salary ranges and typical fringe benefits

Work Environment: looks at typical work conditions and surroundings associated with the job

Exploring: offers suggestions on how to gain experience and knowledge about--or even test drive--a career before making a commitment

Education and Training Requirements: discusses required high school and post-secondary education and training

Certification,

Licensing, and Special Requirements: explains recommended and required certifications or prerequisites for the job

Experience, Skills, and Personality Traits: summarizes the personal traits and skills and professional experience needed to get started and succeed

Employer Prospects: gives an overview of typical places of employment and the best ways to land a job

Advancement Prospects: presents an expected career path and how to travel it

Outlook: summarizes the

---

job's potential growth or decline in terms of the general economy and industry projections Unions and Associations: lists essential and helpful professional groups Tips for Entry: additional tips for preparing for a career and getting a foot in the door For More Information: lists organizations that provide career information, networking, and professional development Sidebars: short features showcasing stats, trivia, and insight about a profession or industry

III and IV Training Solution! Chief officers need to know how to make the transition from company officer to chief officer. Chief Officer: Principles and Practice is designed to help make the transition from company officer to chief officer a smooth evolution. Covering the entire scope of Levels III and IV from the 2009 Edition of NFPA 1021, Standard for Fire Officer Professional Qualifications, Chief Officer combines current content with dynamic features and interactive technology to better support instructors and to help prepare future chief officers to become problem-solving leaders for their organizations. Chief Officer: Principles and Practice has a clear focus on instilling fire fighter safety throughout an organization ' s culture. Reducing fire fighter injuries and deaths requires the dedicated efforts of every fire fighter, fire officer, and fire department. The entire fire community must work together to achieve one common goal: to ensure that everyone goes home. Chief officers therefore set the tone for safety in their organization, and this textbook embraces that philosophy. It is with this goal in mind that the 16 Firefighter Life Safety Initiatives, developed by the National Fallen Firefighters Foundation, are integrated throughout the text. The features in this textbook will help students take that extra step toward becoming outstanding chief officers. These features include: • Scenario-Based Learning.

---

You Are the Chief Officer and Chief Officer in Action are found in each chapter to encourage and foster critical thinking skills. • Practical Tips for the Chief Officer. Chief Officer Tips and Voices of Experience essays are integrated into each chapter to provide helpful advice from experienced chief officers. • Level IV Job Performance Requirements. Fire Officer Level IV content is highlighted to discern Level III JPRs from Level IV. • Walk the Talk. Additional activities encourage students

to take what they have learned in the chapter and apply it to their own department.

Careers in Focus Association for Talent Development  
The third edition of Staley and Staley's FOCUS ON COLLEGE AND CAREER SUCCESS recognizes the varied experiences you bring to the college classroom and guides you to build your motivation and increase your focus, driving your personal success in college -- and well beyond. Relentless Solution Focus  
Routledge  
Praise for How to Be a  
Woman in Technology "We  
live in a day and age when  
more women in technology  
really are achieving greater  
success, rising to senior  
leadership positions and  
driving more innovation in  
their fields. The women who  
share their stories in these  
pages fit that mold, and they  
didn't get there without  
creativity, resourcefulness,  
and grit. Their willingness to  
introspectively share their  
raw fears, vulnerabilities,

challenges, and successes with  
Cheryl, who communicates  
those stories so clearly and  
folds in her own insights,  
results in a very powerful,  
inspiring book." --Dina  
Moskowitz, CEO, SaaS  
Corp. (saasmax.com) "Cheryl  
makes you feel like you're  
sitting alongside each of these  
brilliant women having coffee  
together. How to Be a  
Woman in Technology  
reminds you how women  
have paved the way in this  
world and motivates you to  
believe in yourself in a way  
you never have. In this book,

you'll find inspirational  
vignettes to take with you  
everywhere, each celebrating  
a woman who is influencing  
our future. You'll learn just  
how much women have done  
to inform our understanding  
of all things tech." --Jaclyn  
Lindsey, Co-founder and  
CEO, Kindness.org  
(kindness.org) "To Cheryl  
and the group of women who  
participated in this project,  
thank you for the leadership  
you continue to demonstrate.  
I'm so very proud of you all!  
This book is spot on and is a  
beautiful reminder that,

---

ultimately, it is important to look within and seek what makes you happy."  
--Christine Sanni, CEO, ConservGeo (conservgeo.com) How to Be a Woman in Technology (while Focusing on What Matters Most) brings you fifteen stories from relatable women who are unafraid to speak their truth and share with you their fascinating journeys as women in technology. The book is packed with plenty of practical advice, rare insights, and action steps to create a

career in tech that aligns with what matters most to you. Learn how to-- capitalize on your strengths; discover your professional purpose; network with intent and ease; negotiate your worth; overcome obstacles, including harassment and sexism; create meaningful business relationships; attract the "right" mentors; lead and inspire others; and more. The author, Cheryl O'Donoghue, also shares her own stories and thoughts as a long-time businesswoman, manager, coach, and human potential

advocate and educator. As a bonus, the second half of the book features some of her work in the field of Emotional Intelligence, including an emotional needs self-assessment and a powerful exercise called Your Three Stars©. Together, these unique self-discovery tools help you focus on those emotional needs that matter most to you and determine pain-free ways to get your needs met so you can rise up and take control of your life and the direction in which you're heading. Focus on

---

what matters most to you. This book shows you how! Cheryl got her start in tech purchasing microprocessors and then selling computer hardware and has worked with several technology-focused organizations throughout her career. She is president of Emotional Intelligence Leadership Training Solutions, LLC. She is also the co-founder of Mission Sisters Who Work--a humanitarian organization dedicated to providing self-empowerment resources to low-income women planning

careers or already working in business. All proceeds from Cheryl's book sales go to support Mission Sisters Who Work. Over the years, Cheryl's writing has appeared in numerous business publications across multiple industries. Her book *How to Be a Woman in Business (while Being True to Yourself)* is also available on Amazon and through other online book sellers.
