The Crescent Chronicles – Alyssa Rose Ivy

Focus picks up when Allie and Hailey head off to college. Here Allie and Hailey form a strong female bond, which of course Allie needs. Along the way she forms new friendships with other females in her dorm but also with the most unlikely person, Jared. I was really happy to see that friendship form.

Focus takes us back to New Orleans where Allie is starting her freshman year of college, but besides having the normal freshman issues, she gets the added paranormal dilemma to top it off. Allie is still a bit p'loed with Levi and rightly so.
