Sammy, a 14-year-old fugitive, accidentally discovers he has the powers of a Psion. ... Plucked off the streets, he is thrust into the rigorously-disciplined environment of Psion Beta headquarters. As a new Beta, Sammy must hone his newfound abilities using holographic fighting simulations, stealth training missions, and complex war games. His fellow trainees are other kids competing to prove their worth so they can graduate and contribute to the war effort. But the stifling competition at headquarters isolates Sammy from his peers. Learning to use his incredible abilities powers is difficult enough, but when things go horribly wrong on a routine training mission, he must rely on the other Betas to stay alive. The Silent War is at a tipping point; even one boy can be the difference. But to do so, he must survive.

In 1845 a blight of unknown origin destroyed the potato crop in Ireland triggering a series of events that would change forever the course of Ireland's history. The British government called the famine an act of God. The Irish called it genocide. By any name the famine caused the death of over one million men, women, and children by starvation and disease. Another two million were forced to flee the country. With the famine as a backdrop, this is a story about two families as different as coarse wool and fine silk. Michael Ranahan, the son of a tenant farmer, dreams of breaking his bondage to the land and going to America. The passage money has been saved. He's made up his mind to go. And then-the blight strikes and Michael must put his dream on hold. The landlord, Lord Somerville, is a compassionate man who struggles to preserve a way of life without compromising his ideals. To add to his troubles, he has to deal with a recalcitrant daughter who chafes at being forced to live in a country of "bog runners." In *The Time Of Famine* is a story of survival. It's a story of duplicity. But most of all, it's a story of love and sacrifice.

They needed the perfect assassin. Boy Nobody is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school in a new town under a new name, makes a few friends, and doesn't stay long. Just long enough for someone in his new friend's family to die-of "natural causes." Mission accomplished, Boy Nobody disappears, moving on to the next target. But when he's assigned to the mayor of New York City, things change. The daughter is unlike anyone he has encountered before; the mayor reminds him of his father. And when memories and questions surface, his handlers at The Program are watching. Because somewhere deep inside, Boy Nobody is somebody: the kid he once was; the teen who wants normal things, like a real home and parents; a young man who wants out. And who just might want those things badly enough to sabotage The Program's mission. In this action-packed series debut, author Allen Zadoff pens a page-turning thriller that is as thought-provoking as it is gripping, introducing an utterly original and unforgettable antihero.

Jason Bourne meets Homeward Bound in book two of this fast-paced series where Wild—an unusually intelligent dog—must stop adorably cute, but dangerous, puppies from being released to the greater Los Angeles area with the help of her friends. Wild has been on the run—jumping from one family to the next—ever since she left Chance almost a year ago. But when a mysterious canine corporation, C.A.T., abducts her and threatens to hurt Chance, she will stop at nothing to escape and find her old friend. Together again, Wild and Chance must enlist the help of Junebug to hack into C.A.T.'s computer to discover what they really want. But along the way, the group is reunited with an old friend and introduced to the Puppio puppies—love-at-first-sight cute, with massive eyes, who smell like apple pie. Even though they may look cute on the outside, Wild is convinced everything isn't as it seems. When she finds out a shocking discovery about her past, Wild must decide who is more important to protect—her past, her best friend, or the greater Los Angeles area who are in incredible Puppio danger. Equal parts heart-pounding action and heartfelt journey, this second book in the Wild & Chance series grabs readers from page one and never lets go.

Hide your children, lock your doors, and load your guns because zombies are real and they are coming. Danny Terrence knows this better than anyone. He spent months preparing for the inevitable moment the disease would reach his small town. What he didn't prepare for is the fact that nobody really believes him. Luckily for him, an old classmate and bully just happens to be the first one bitten. The bad news is that the family with the biggest arsenal of guns just packed up and left town, leaving them defenseless from an oncoming zombie horde. Being a leader isn't turning out the way Danny imagined. Yet four other survivors easily have it worse than him.

Between a thirteen-year-old girl on a road trip from hell, a family of paranoid hunters having to deal with their feelings for the first time ever, a stubborn doctor butting heads with a cold-hearted sergeant and an amoral British professor carrying the fate of humanity in his hands, Danny has it easy. Unless, of course, they all end up in his town, messing with his already messed up life. Follow these five people as their paths cross and their lives and hopes are challenged in this thrilling novel. *Those Who Remain: Book One* is part of a

trilogy.

**Falling for the Ranger** American Girl

When Todd Harris makes the move from the mean streets of Chicago to the sleepy roads of Marietta, Montana, it's not just his career that's changing... it's his entire life. Going from police officer to forest ranger isn't too much of a stretch, but getting used to how things work in a small town is. As he settles in, Todd realizes he loves the slower pace of the countryside, but then... an Olympic gold medalist comes to town and shatters his hard fought peace. But the town's new forest ranger doesn't like attention and he sure as hell isn't looking for any kind of relationship with someone who does. When Molly gets lost in the

woods though and Todd is the one who saves her, the spark he's been trying to ignore smolders and ignites. It's then that he realizes there's a lot more to Molly than ambition and public adulation. When Todd signs up for the Men of Marietta calendar shoot to raise money for Harry's House, a place for children to commemorate a fallen firefighter, Molly realizes the kind of man he is. With the shoot wrapping up, she faces a painful decision—return to her old life, or give her new life with Todd a fighting chance.
