Fast Food Nation.
Fast Food Nation Essay
! The food that we eat today is far different from what it was just a century ago. The way we consume our food has changed more in this last 100 years than it has in the whole history of humanity. Food is what fuels your body, so in a sense, you are what you eat, but it goes deeper

Essay argument: Food, Inc
FOOD, Inc.
Among the need of humans beings, food comes as one of the most essential. With regards to how food is important to the human body, together with shelter and clothing, it has been qualified as a basic need. Mostly, it is impossible to survive without food. It is, however, important to understand that merely having food is not essential.
