Discover the safe, effective, delicious cleanse that took Instagram by storm! This 5-day detox program allows you to eat whole, nutrient-rich foods—and feel satisfied and energized while dropping pounds! As a professional model, Nikki Sharp

traveled constantly, barely slept, skipped meals, and relied on quick fixes to stay skinny, all of which took a toll on her physical and emotional health. Realizing she needed to make a serious change, she began to study integrative nutrition—and learned that the key to weight loss, radiant skin, and overall well-being is not starving yourself but eating. That's right: eating! Sharp created her detox plan based on the knowledge that in the right combinations, real whole foods—grains, vegetables,

fruits, and spices—can aid digestion, burn body fat, flush out toxins, reduce bloating, banish fatigue, and clear up acne. Unlike other cleanses, The 5-Day Real Food Detox allows you to eat five times a day—and shed a pound a day—with meals and snacks developed by Sharp (and backed by a nutritionist and a registered dietician). Even better, the recipes, including Love Pancakes, Spinach & Chickpea Hummus, Black Bean Burgers, Cauliflower Mash, and Taco Bowl, have been taste-tested by Sharp's many of 300,000-plus

Instagram followers, who have done the plan and seen amazing results. In *The 5-Day Real Food Detox*, you'll discover • nutrient-dense foods that encourage detoxification and weight loss • the facts on juice, smoothie, tea, and raw food cleanses • yummy foods to substitute when you crave unhealthy ones • ingredients to avoid and how to decode food labels • the secret to great-tasting meals—use spices instead of salt • strategies for lowering stress and combating insomnia • troubleshooting for food allergies, mood swings, bloating, and other detox issues Complete with gorgeous photos, success stories, shopping lists, and meal plans, *The 5-Day Real Food Detox* lays the groundwork for eating well and feeling wonderful for the rest of your life! Our most powerful tool to reverse the global epidemic of chronic disease, heal the environment, reform politics, and revive economies is food. What we eat has tremendous implications not just for our waistlines, but also for the planet, society, and the global economy. What we do to our bodies, we do to the planet; and what we do to the planet, we do to

our bodies. In *Food Fix*, New York Times best-selling author Mark Hyman explains how food and agriculture policies are corrupted by money and are driving a global crises: the spread of obesity and food-related chronic disease, climate change, poverty, violence, educational achievement gaps, and more. He provides solutions for citizens, businesses, and policy makers to create a healthier world, society, and planet. Pairing the latest developments in nutritional and environmental science with an unflinching look at the dark realities of the global food system and the policies that make it possible, *Food Fix* is a passionate call to arms that will change the way you think about - and eat - food forever. 'If you're overwhelmed by the scale of the world's problems, and wondering what you can do in your own life to start, *Food Fix* is for you. Dr. Hyman deftly connects the dots between education, health, climate science, and the food we eat every

day, showing that the choices we make about the food we put on our plates has consequences that ripple around the world.' - Arianna Huffington
