While the anti-establishment rebels of 1969's Easy Rider were morphing into the nostalgic yuppies of 1983's The Big Chill, Seventies movies brought us everything from killer sharks, blaxploitation, and disco musicals to a loving look at General George S. Patton. Indeed, as Peter Lev persuasively argues in this book, the films of the 1970s constitute a kind of conversation about what American society is and should be—open, diverse, and egalitarian, or stubbornly resistant to change. Examining forty films thematically, Lev explores the conflicting visions presented in films with the following kinds of subject matter: Hippies (Easy Rider, Alice's Restaurant) Cops (The French Connection, Dirty Harry) Disasters and conspiracies (Jaws, Chinatown) End of the Sixties (Nashville, The Big Chill) Art, Sex, and Hollywood (Last Tango in Paris) Teens (American Graffiti, Animal House) War (Patton, Apocalypse Now) African-Americans (Shaft, Superfly) Feminisms (An Unmarried Woman, The China Syndrome) Future visions (Star Wars, Blade Runner) As accessible to ordinary moviegoers as to film scholars, Lev's book is an essential companion to these familiar, well-loved movies.

"This popular book provides loads of teacher-tested lesson plans and assessment tools that will decrease your preparation time and increase your students' competency. After listening to requests of the first edition's users, the author has packed two more popular field sports and a unique chapter on educational gymnastics into this new edition of *Complete Physical Education Plans for Grades 5 to 12*. Lessons can cover beginner, intermediate, and advanced levels and break down each skill as it is introduced. The chapters also integrate the applicable rules and strategies during the learning process and use methods that will keep students active, learning, successful, and completely motivated. In addition to the clear instruction for teaching skills, rules, and strategies, each lesson generates opportunities for students to develop physical, cognitive, and social skills. Each unit is designed to help students gain competency appropriate for their experience level. Formerly published as *Complete Physical Education Plans for Grades 7 to 12*, the book features exciting new material: Detailed introductions of skills and how to practice the mechanics of each skill or dance; Three new chapters (field hockey, lacrosse, and educational gymnastics, the latter of which includes three units that can be used in teaching both gymnastics and creative dance). *Complete Physical Education Plans for Grades 5 to 12* provides field-tested lesson plans for 484 classes covering 18 areas of fitness, creative movement and dance, and sports. These professionally prepared plans will not only cut your own prep time but also help you focus on the essentials in each step of your students' learning process. It is a great resource when you need material for a substitute teacher or when you are asked to submit plans to your school administrator. In addition to the lesson plans, the book and CD-ROM package contains a

wealth of teaching and assessment tools, including skills rubrics, portfolio checklists, unit fact sheets, and quizzes. The accompanying CD-ROM enables you to print study sheets, student extension projects, portfolio checklists, unit quizzes, and answer keys. You can also print out any page of the text from the CD-ROM (e.g., lessons, full units, tests)."--Publisher's website.

Conflicting Visions Routledge

Association Football did not magically begin with the formation of the Football Association in 1863: for centuries before, leather and rag balls had been kicked about, often as a smoke-screen for a jolly good brawl amongst the ruffians of the town or village! In medieval times, the common people from all over the Midlands would chase after a

stuffed leather football, sometimes from dawn till dusk, from one end of town to the other. Football, in all its various forms, was the game of the people. Centuries later, in England's universities and public schools, the game was brought under a unified set of rules by middle and upper-class young men who formed exclusive football clubs for their fellows and tried to keep the Association game between themselves. Back in the Midlands, however, pioneering men started football teams for the working-class society, and within a decade, there were hundreds of such teams from Worcester to Sheffield. Football had been given back to the common man. This book gives an insight into over sixty small clubs who were the mainstay of organised football across the Midlands from the embryonic 1860s to beyond professionalism in the 1890s. Many new details and photographs are being published for the first time, as the author travels all over the eight counties of the Midlands to find the lost grounds and the Lost Teams of the Midlands. In This Book, Author Mike Bradbury Brings together a history and description of over sixty of the most prominent lost Midlands football clubs from the Victorian era, many defunct even before 1900 Discovers the location of the lost Trapezium Ground in Wednesbury Discovers the location of the Shrubbery Ground where Tipton FC played in the 1870s Establishes four of the grounds used by Derby Junction and other Derby teams Establishes the site of Derby Midland FC's lost ground near the railway station Discovers the true origins of Walsall Town Football Club Unearths previously unpublished pictures of Wellington St. George's and their Shropshire ground Discovers the previously unknown team colours for over twenty teams featured in this book, including Notts Olympic, B'ham Excelsior, Calthorpe, Derby Junction, Staveley Unravels the mystery of the two St. George's football teams in the Birmingham area Finds out what became of Walsall's oldest team, Rushall Rovers Publishes unseen photographs of Birmingham's oldest team, Saltley College, and their ground within the college Discovers the first two grounds of the early Bloxwich FC (Strollers) Presents maps showing the lost locations of the grounds of Rushall Rovers, Smethwick Carriage Works, Lozells FC, Wednesbury Strollers, Crosswells FC, and others Unearths the 1873 advert where players are asked to form the Walsall Football Club Discovers the lost football ground at Aston Cross, used by Aston Shakespeare and Aston Victoria Finds and gets access to the lost ground of the Willenhall Pickwicks, seven-times Staffordshire Junior Cup finalists Photographs all three grounds of pioneering Birmingham club, Calthorpe FC, and unearths their colours and their link to Aston Villa Discovers the lost Vulcan ground used by early Derby teams in the city centre Has created a web site featuring over 100 photographs and maps of teams, players, and grounds, details of which are given inside the book
