The Corpse Walker introduces us to regular men and women at the bottom of Chinese society, most of whom have been battered by life but have managed to retain their dignity: a professional mourner, a human trafficker, a public toilet manager, a leper, a grave robber, and a Falung

Gong practitioner, among others. By asking challenging questions with respect and empathy, Liao Yiwu managed to get his subjects to talk openly and sometimes hilariously about their lives, desires, and vulnerabilities, creating a book that is an instance par excellence of what was once upon a time called "The New Journalism." The Corpse Walker reveals a fascinating aspect of modern China, describing the lives of normal Chinese citizens in ways that constantly provoke and surprise.

This collection of Tibetan poetry and lyrics is accompanied by extensive commentary and offers a great insight into a rich literary culture. Tibet, remote and inaccessible, is less known to the western world for its literary than its artistic contributions to world culture. Nevertheless, it has produced a literature of enduring beauty and significance, the supreme achievement of which is the poetry of Milarepa, its greatest poet and saint. This Tibetan poetry book indicates in its poetic exaggeration that, to the Tibetans, his poetry contains all earthly and celestial wisdom. It is from this masterpiece that the selections for the present volume have been made—songs in which Milarepa describes his life in the solitude of mountain glaciers, his yogic attainments in self-discipline, his encounters with demons who try to obstruct his meditations, and his arrival at enlightenment and spiritual freedom. Presented here in skillful translation—in a volume decorated with original Tibetan woodcuts and motifs from Tibetan art—these

poems shinningly reflect the genius of Tibet's "Old Man, Storehouse of Songs."

"Dylan remains the rare singer whose work is worth reading on the page. Bob Dylan is one of the most important cultural figures of our time, and the first American musician in history to win the Nobel Prize for Literature. 100 Songs is an intimate and carefully curated collection of his most important lyrics that spans from the beginning of his career through the present day. The Songster's Companion: a Choice Collection of More Than Two Hundred Songs ... The Seventh Edition, Enlarged and Improved Atlantic Publishers & Distri Two prominent translators present the first complete English-language edition of one of India's greatest works of classical literature: the Purananuru. This anthology of four hundred poems by more than 150 poets between the first and third centuries CE in old Tamil—the literary

language of ancient Tamilnadu—was composed before Aryan influence had penetrated the south. It is thus a unique testament to pre-Aryan India. Beyond its importance for understanding the development of South Asia's history, culture, religion, and linguistics, the Purananuru is a great work of literature, reflecting accurately and profoundly the life of southern India 2,000 years ago. One of the few works of classical India that confronts life without the insulation of a philosophical facade and that makes no basic assumptions about karma and the afterlife, the Purananuru has universal appeal. It faces the world as a great and unsolved mystery, delving into living and dying, despair, love, poverty, and the changing nature of existence. To this hidden gem of world literature George L. Hart and Hank Heifetz add a helpful appendix, an annotated bibliography, and an excellent introduction describing the work and placing it in its social and historical context. One hundred songs Simon and Schuster Devotion is dedication of the self to the All Serene. To Rabindranath Tagore, it is more than mere dedication. It is a vrata to be in perfect unison with the Vratapati, the Lord of askance in sincerity, purity and poignance. To be christened with the spirituality of Tagore in the most intrinsic and poignant pattern is to muse and re-muse his devotional songs, and in doing so, one cannot but discover within oneself the lotus-land of spiritual excellence. Indeed, somewhere in the heartland of

everyone lurks the unending beckoning of the All Beautiful. Here are a hundred devotional songs of Rabindranath representing prayer and worship with diverse dimensions of joy, sorrow, awakening, introspection, aspiration, resolution and so on to encounter the All Beautiful. Hitherto unknown to the national and the global lovers and appreciators of Tagore due to language-constraints, A Hundred Devotional Songs of Tagore, the first of its kind in India and abroad, might be a resourceful and thrilling companion to the study of and quest for devotion.

An authoritative new translation of the complete Hundred Thousand Songs of Milarepa, the teaching songs and stories from Tibet's most beloved Buddhist yogi, poet, and saint. Powerful and deeply inspiring, there is no book more beloved by Tibetans than The

Hundred Thousand Songs, and no figure more revered than Milarepa, the great eleventh-century poet and saint. An ordinary man who, through sheer force of effort, faith, and perseverance, overcame nearly insurmountable obstacles on the spiritual path to achieve enlightenment in a single lifetime, he stands as an exemplar of what it is to lead a spiritual life. Milarepa, a cotton-clad yogi, wandered and taught the dharma, most famously through spontaneously composed songs, a colorful and down-to-earth way to convey the immediacy and depth of the Buddhist teachings. In this work, the songs are woven into a narrative that tells the stories of his most famous encounters with his students, including Gampopa and Rechungpa, and recount his victories over supernatural forces in the remote Himalayan mountains and caves where he meditated. In this authoritative new translation, prepared under the guidance of Dzogchen Ponlop Rinpoche, Christopher Stagg brilliantly brings to life the teachings of this extraordinary man. This classic of world literature is important for its narrative alone but is also a key contribution for those who seek inspiration for the spiritual path.
