enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The hours we share together aren't about love. It's just sex. Hot, dirty, passionate sex. It was never supposed to be anything more than that. Until everything changed. Now, I'm more confused than ever. The more I learn about him, the less I seem to understand. What I do know is that I'm falling, and I have the feeling when I land, it's going to hurt.
