Warning #1: This book is not to be taken seriously. Do not read this if you don't have the sense of humor of a 15 year old boy. Do not read this if you ARE a fifteen year old boy. This book is totally crude and inappropriate and uses the word "vagina" a lot. No, I mean A LOT. If you don't think people who are drunk are hilarious, you shouldn't read this book. You probably shouldn't read this book if you aren't drunk yourself. You should probably just put this book down and get drunk. You may think that no one in the world talks like the people in this book, but they do. They are called "people who are funny and inappropriate". This book is completely unrealistic; the author is aware of that fact and did it on purpose. 2012 Goodreads Choice Award Nominee - Best RomanceClaire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely loveable (when he's asleep) toddler a better life.
