[Deathtrap](#) University Press of Kentucky

This first book published on film noir established the genre--a classic, at last in translation.

[Neutron Methods for Archaeology and Cultural Heritage](#) HarperCollins UK

Officer Gabriella Maria Flores desperately needs a big win to save her career. A case that proves that she has her act together, something non-controversial to make people forget the recent scandal she's been involved in. Instead, the murder she catches couldn't be more high-profile, the number one suspect her boss's brother. Means, motive, opportunity--check. And open-and-shut case, if she's ever seen one. But then, instead of arresting the suspect, why is she falling in love with him?

[Power and Politics in University Governance](#) Psychology Press

He doesn't mind breaking rules, just never his own. Rule #1: You don't seduce the woman you protect. An epic romantic adventure that will transport you to another world, a rich story about love and hate, honor and evil, hope and justice set against the backdrop of the teeming Amazon rain forest. After the death of his wife and twin sons, Army vet Ian Slaney is a shadow of his former self. On the path of self-destruction, only his best friend's disappearance in South America pulls Ian back from the ledge. He rushes to Brazil, only to discover that his friend was murdered. The single lead in the case is also the single biggest obstacle—Daniela, a mysterious beauty very much in need of protection, with a host of secrets hidden in a dark past. As the two of them track down clues and try to untangle an impossible case, they draw the attention of all the wrong people, and danger follows them back to the US. Ian wants the murderers. Daniela wants Ian to acknowledge the hot sparks of passion between them. But convincing Ian to set aside his protective instincts proves more difficult than turning an anaconda vegetarian.

[A Panorama of American Film Noir \(1941-1953\)](#) Montlake Romance

In this dystopian trilogy opener, an elderly scientist reminisces, wondering why both the planet and his family fell apart. Part Field Notes from a Catastrophe, part 1984, part World War Z, this striking dystopian novel takes us deep into the battered, shattered world of 2050. The European Union has broken apart. Multiethnic great powers like Russia and China have shriveled. America's global military footprint has virtually disappeared, and the United States remains united in name only. Nationalism has proven the century's most enduring force as ever-rising global temperatures have supercharged each-against-all competition and conflict among the now three hundred-plus members of an increasingly feeble United Nations. As he navigates the world of 2050, Julian West offers a roadmap for the path we're already on, a chronicle of impending disaster, and a faint light of hope. He may be humanity's last best chance to explain how the world unraveled—if he can survive the savage beauty of the Splinterlands. Praise for Splinterlands "In a chilling, thoughtful, and intuitive warning, foreign policy analyst Feffer... takes today's woes of a politically fragmented, warming Earth and amplifies them into future catastrophe.... This novel is not for the emotionally squeamish or optimistic; Feffer's confident recitation of world collapse is terrifyingly plausible, a short but encompassing look at world tragedy." —Publishers Weekly, Starred Review "Feffer's book is a wild ride through a bleak future, casting a harsh, thought-provoking light on that future's modern-day roots." —Foreword Reviews "A startling portrait of a post-apocalyptic tomorrow that is fast becoming a reality today. Fast-paced, yet strangely haunting, Feffer's latest novel looks back from 2050 on the disintegration of world order told through the story of one broken family—and offers a disturbing vision of what might await us all if we don't act quickly." —Barbara Ehrenreich, New York Times – bestselling author of Nickel and Dimed and Had I Known, and founder of the Economic Hardship Reporting Project

The introduction to this annual publication reflects on recent events and recent changes in the world. The body of the annual report considers the human rights record of some 150 governments throughout the world.

[Bridal Op \(Mills & Boon Intrigue\) \(Miami Confidential, Book 4\)](#) Dana Marton

The Broslin Creek Series, a reader favorite, began with the story of Kate and Murph (an eye-witness running from a deadly assassin and the soldier who steps between her and a violent death). DEATHTOLL, the last book, features the same couple. Kate and Murph are back in Broslin Creek, thinking they're safe, their worst enemy dead. But soon people around Kate begin to die under suspicious circumstances, and she and Murph must face the terrible realization that Asael followed them home, and not only are their lives in danger, but also the lives of the townspeople who took Kate in years ago. Don't miss the stunning conclusion to this immensely satisfying suspense series. Click above to preorder now.

[Financing Metropolitan Governments in Developing Countries](#) Springer

First Published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

[Beyond Disappearance](#) Lincoln Inst of Land Policy

Here, for the first time in more than eighty years, is a detailed study of political Antimasonry on the national, state, and local levels, based on a survey of existing sources. The Antimasonic party, whose avowed goal was the destruction of the Masonic Lodge and other secret societies, was the first influential third party in the United States and introduced the device of the national presidential nominating convention in 1831. Vaughn focuses on the celebrated "Morgan Affair" of 1826, the alleged murder of a former Mason who exposed the fraternity's secrets. Thurlow Weed quickly transformed the crusading spirit aroused by this incident into an anti-Jackson party in New York. From New York, the party soon spread through the Northeast. To achieve success, the Antimasons in most states had to form alliances with the major parties, thus becoming the "flexible minority." After William Wirt's defeat by Andrew Jackson in the election of 1832, the party waned. Where it had been strong, Antimasonry became a reform-minded, anti-Clay faction of the new Whig party and helped to secure the presidential nominations of William Henry Harrison in 1836 and 1840. Vaughn concludes that although in many ways the Antimasonic Crusade was finally beneficial to the Masons, it was not until the 1850s that the fraternity regained its strength and influence.

[Three Cowboys](#) Dana Marton

Three gripping, fast-paced novels of romantic suspense from New York Times and USA Today bestselling author

Dana Marton. "Marton knows what makes a hero...her characters are sure to become reader favorites." RT Book Review Magazine DEATHWATCH: The only person who can identify the most notorious hit man in the country, Kate Bridges is running for her life. Murphy Dolan is in the Army Reserves, returning from his 2nd tour of duty, only to find a stranger hiding in his house. She's scared spitless. He's completely burned-out on violence. Neither of them has any trust left to give DEATHSCAPE: After a near-death experience, artist Ashley Price is compelled to paint visions of the dead, and fears she's gone crazy. Then she paints a man buried alive and, recognizing the surroundings, she rushes to save him Instead of being grateful to her for rescuing him, Detective Jack Sullivan accuses her of being in league with a serial killer. He swears he will put her behind bars. Except, the more time he spends with her, the more he falls under her spell. Can he trust her, or is he walking into another deadly trap? DEATHTRAP: She'd been "the sick girl" for most of her life. She refused to go straight to "the weird girl". Heart-transplant recipient Sophie Curtis has been in her own antiseptic bubble for so long, she just might not be able to venture out into the real world again. Her spooky body memories are scary enough, but then she finds herself in the cross hairs of a killer. "Love was blind, people said. But lust was blind, deaf and reckless." Ethan Bing hadn't been a great romantic before he became a cop. Whatever shred of optimism he had left after becoming Broslin Chief of Police had been seared out of him by the unsolved murder of his wife two years before. A new case brings the killer within reach just as Sophie pops into his life. She gets through his defenses like no other before, but soon it becomes clear that she's been selected as the killer's next victim. "These tales artfully combine thrilling adventures with a enhancing element of paranormal that adds to the chills up one's spine." Night Owl Reviews

Deathtoll Springer

NEW YORK TIMES BESTSELLER • From the author of *On Tyranny* comes a stunning new chronicle of the rise of authoritarianism from Russia to Europe and America. “A brilliant analysis of our time.”—Karl Ove Knausgaard, *The New Yorker* With the end of the Cold War, the victory of liberal democracy seemed final. Observers declared the end of history, confident in a peaceful, globalized future. This faith was misplaced. Authoritarianism returned to Russia, as Vladimir Putin found fascist ideas that could be used to justify rule by the wealthy. In the 2010s, it has spread from east to west, aided by Russian warfare in Ukraine and cyberwar in Europe and the United States. Russia found allies among nationalists, oligarchs, and radicals everywhere, and its drive to dissolve Western institutions, states, and values found resonance within the West itself. The rise of populism, the British vote against the EU, and the election of Donald Trump were all Russian goals, but their achievement reveals the vulnerability of Western societies. In this forceful and unsparing work of contemporary history, based on vast research as well as personal reporting, Snyder goes beyond the headlines to expose the true nature of the threat to democracy and law. To understand the challenge is to see, and perhaps renew, the fundamental political virtues offered by tradition and demanded by the future. By revealing the stark choices before us--between equality or oligarchy, individuality or totality, truth and falsehood--Snyder restores our understanding of the basis of our way of life, offering a way forward in a time of terrible uncertainty.

Secret Dreams in Istanbul HarperCollins UK

A gripping, fast-paced novel of romantic suspense from New York Times and USA Today bestselling author Dana Marton. When wealthy American businessman Glenn Danning goes missing in Venezuela, investigator Miranda Soto volunteers to track him down. It's her first assignment for the Civilian Personnel Recovery Unit, but this mission is about more than salvaging the remnants of her shattered military career. Glenn was Miranda's best friend and first lover, and she'll do anything to save him from danger...especially since she just lost everything that mattered to her. Glenn barely survived being kidnapped and tortured as a suspected spy, but the shock of seeing Miranda again gives him a new lease on life. Their still-simmering attraction grows hotter as the couple races through the treacherous jungle. Determined to reach safe ground, they must stay alive long enough to stop the terrifying enemy who still hunts Glenn. And even if they survive, Miranda's dark past could jeopardize their future together...

Beautiful Lies Anthem Press

Former small-town football hero turned cop, Joe Kessler never met a linebacker, perp, or a woman he couldn't handle. Then a troubled single mom walks into his life, and the only place this hot jock will ever see 'easy' again is in the dictionary. Hiding out in Broslin, PA was working pretty well for Wendy Belle until Cop Casanova took her under his protection. Now she'll either lose her life to one man, or her heart to another.

Girl in the Water Marta Dana

Three rough and tough former Navy SEALs who don't know the meaning of impossible. Three adventurous, irresistible women who don't mind teaching them. Add a secret FBI mission and a corrupt politician who wants them all dead, and watch the fireworks erupt. (Or is that gunfire?) A team that fights together sleeps together? Well, not ALL together. (But-okay, fine-love IS in the air.) (Seriously, these guys are hotter than a fire on a submarine.) "Action packed and breathtakingly romantic!" Susan Mallery #1 NEW YORK TIMES bestselling author ..".started with a bang and the tension never let up..." Paula Graves bestselling author

Capitals of Punk HarperCollins UK

Human Rights Watch is dedicated to protecting the human rights of people around the world. We stand with victims and activists to prevent discrimination, to uphold political freedom, to protect people from inhumane conduct in wartime, and to bring offenders to justice. We investigate and expose human rights violations and hold abusers accountable. We challenge governments and those who hold power to

end abusive practices and respect international human rights law. The sixteen 16 thematic essays, explore human rights issues facing the world today: From Bali in Indonesia, to Najaf in Iraq, to Mumbai in India, hundreds of civilians have been killed in acts of politically motivated violence. The bombing of the United Nations office in Baghdad, killing more than twenty people, marked a new low in the history of attacks against humanitarian workers. In Israel and the Occupied Territories, scores of civilians have been killed in repeated suicide bombings by Palestinian armed groups. These terrible crimes cry out for justice.They have flouted the fundamental values of international human rights and humanitarian law, and those responsible should be held accountable and brought to justice before a court of law. But for all the political rhetoric and the enormous human and financial resources invested in the international campaign against terrorism, many counter-terrorist strategies are undermining the rule of law and the fundamental values they seek to defend. Around the world, states have responded to the indiscriminate violence of terrorism with new laws and measures that themselves fail to discriminate between the guilty and the innocent. Numerous countries have passed regressive anti-terrorism laws that expand governmental powers of detention and surveillance in ways that threaten basic rights.
