Military Requirements for Petty Officer Third Class Flatiron Books
From three award-winning and bestselling humor writers comes a hilarious guide to everything you need to know about Jewish history, holidays, and traditions. Why do random Jewish holidays keep springing up unexpectedly? Why are yarmulkes round? Who was the first Jewish comedian? What's "Christian humor" and have you ever even heard of that phrase? Who is "the Golem" and whom do you want it to beat up? These baffling questions and many more are answered by comedy legends Dave Barry, Adam Mansbach, and Alan Zweibel, two-thirds of whom are Jewish. In *A Field Guide to the Jewish People* the authors dissect every holiday, rite of passage, and tradition, unravel a long and complicated history, and tackle the tough questions that have plagued Jews and non-Jews alike for centuries. Combining the sweetness of an apricot rugelach with the wisdom of a matzoh ball, this is the last book on Judaism that you will ever need. So gather up your chosen ones, open a bottle of Manischewitz, and get ready to laugh as you finally begin to understand the inner-workings of Judaism.

Arizona Discovery Guide Jeffrey Frank Jones

A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world. ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America. MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe. All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from

drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home.

The U.S. Navy is ready to execute the Nation's tasks at sea, from prompt and sustained combat operations to every-day forward-presence, diplomacy and relief efforts. We operate worldwide, in space, cyberspace, and throughout the maritime domain. The United States is and will remain a maritime nation, and our security and prosperity are inextricably linked to our ability to operate naval forces on, under and above the seas and oceans of the world. To that end, the Navy executes programs that enable our Sailors, Marines, civilians, and forces to meet existing and emerging challenges at sea with confidence. Six priorities guide today's planning, programming, and budgeting decisions: (1) maintain a credible, modern, and survivable sea based strategic deterrent; (2) sustain forward presence, distributed globally in places that matter; (3) develop the capability and capacity to win decisively; (4) focus on critical afloat and ashore readiness to ensure the Navy is adequately funded and ready; (5) enhance the Navy's asymmetric capabilities in the physical domains as well as in cyberspace and the electromagnetic spectrum; and (6) sustain a relevant industrial base, particularly in shipbuilding.

The timeless classic *Little Women* inspired this heartwarming modern tale of four sisters from New York Times bestselling author Virginia Kantra. The March sisters—reliable Meg, independent Jo, stylish Amy, and shy Beth—have grown up to pursue their separate dreams. When Jo followed her ambitions to New York City, she never thought her career in journalism would come crashing down, leaving her struggling to stay afloat in a gig economy as a prep cook and secret food blogger. Meg appears to have the life she always planned—the handsome husband, the adorable toddlers, the house in a charming subdivision. But sometimes getting everything you've ever wanted isn't all it's cracked up to be. When their mother's illness forces the sisters home to North Carolina for the holidays, they'll rediscover what really matters. One thing's for sure—they'll need the strength of family and the power of sisterhood to remake their lives and reimagine their dreams.
