Set during World War II, *My Time in Combat* chronicles the survival of a young soldier.

Advanced Automotive Fault Diagnosis Penguin  
FM 21-11 1943: Basic field manual, first aid for soldiers. (OBSOLETE) "The purpose of this manual is to teach the soldier what he can do for himself or a fellow soldier if injury or sickness occurs when no medical officer or Medical Department soldier is nearby. Information is also given concerning the use of certain supplies which are for the purpose of helping to keep well. This field manual addresses wounds, fractures/dislocations/ sprains, common emergencies and health measures, effects of severe cold and heat, measures for use in the jungle/tropics and in aircraft and tank injuries, transportation of sick and injured, war gases, and description and uses of first-aid kits and packets.

*Shot Down and in the Drink* Government Printing Office

The oldest son of Sheikh Hassan Yousef, a founding member of Hamas, reveals new information about the world's most dangerous terrorist organization, unveils the truth about his own role in the organization, and explains his dangerous decision to make his newfound Christian faith public.

**NATION'S BUSINESS: FEBRUARY 1993** Vintage

The RAF's Air Sea Rescue Service saved thousands of RAF, Commonwealth and Allied airmen between 1939 and 1945. This fascinating account draws on first-hand interviews, photographs and official documents to reveal some of its most dramatic missions in northwest Europe, the Mediterranean and the Far East. Those shot down at sea faced terrifying dangers, from weather extremes to enemy fighters, and rescue by airborne or seaborne craft was fraught with difficulty. These incredible stories celebrate the courage, persistence and ingenuity of the men who found themselves 'in the drink' and those who saved them.

25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

[Delmar's Automotive ASE Test Prep Video Series](#) CRC Press

Delmar's Automotive ASE Test Prep Videos present test takers with a review of the A1-A8 and L1 tests prior to taking the exam. Each tape summarizes key topics and key task areas through live action and animation. Actual technicians, authentic automotive shops, and late-model vehicles are featured for an up-to-date look and feel. Safety is emphasized throughout each tape. An overview tape introduces test takers to the ASE testing style.

*Love the Wounded* Algonquin Books

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*)

Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does

not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."--Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." --Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." --People "Shimmering . . . Valuable and necessary." --Los Angeles Times "A magnificent treasure for all cultures and all time." --St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."--Cosmopolitan.com

Michigan Living A&C Black

This book describes the living-room artifacts, clothing styles, and intellectual proclivities of American classes from top to bottom.

**Toys & Prices 2006** Delmar Thomson Learning Getting the Message Through, the companion volume to Rebecca Robbins Raines' *Signal Corps*, traces the evolution of the corps from the appointment of the first signal officer on the eve of the Civil War, through its stages of growth and change, to its service in Operation DESERT SHIELD/DESERT STORM. Raines highlights not only the increasingly specialized nature of warfare and the rise of sophisticated communications technology, but also such diverse missions as weather reporting and military aviation. Information dominance in the form of superior communications is considered to be sine qua non to modern warfare. As Raines ably shows, the Signal Corps--once considered by some Army officers to be of little or no military value--and the communications it provides have become integral to all aspects of military operations on modern digitized battlefields. The volume is an invaluable reference source for anyone interested in the institutional history of the branch.

**The Wednesday Wars** Benchmark Education Company The author hails from Florida, growing up in the Miami Dade area. There, the young S. R. was surrounded by fire rescue and law enforcement neighbors. One notable influence was City of Miami Fire Chief Dan "Rock" Rooney. Rock moved next door in a home constructed by young S. R.'s father. This became a lifelong familial relationship. When S. R.'s family moved to Opa-Locka, Florida, the Rooneys followed, moving in right next door. After naval tours of service in Vietnam and Korea, S. R. returned to South Florida, completing his bachelor of science degree at Florida International University. S. R. took a job as an insurance adjuster. He adjusted all types of claims, including fire, theft, property damage, and liability insurance. More than once, S. R. found himself in court as a material witness in both civil and criminal cases. S. R. married and moved to Putnam County, Florida. There he volunteered with Putnam Fire Rescue as a REHAB 111 member. Several years later, his wife joined him in fire rescue, becoming Team W. "Hope you enjoy the read as much as I have enjoyed writing it" (Team Wainright).

During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in.

The Back-yard Mechanic Military Bookshop NEW YORK TIMES BESTSELLER • From the governor-elect of Maryland, the "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. Selected by Stephen Curry as his "Underrated" Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for

two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

FM 21-11 First Aid for Soldiers One World  
*Invisible Man* is a milestone in American literature, a book that has continued to engage readers since its appearance in 1952. A first novel by an unknown writer, it remained on the bestseller list for sixteen weeks, won the National Book Award for fiction, and established Ralph Ellison as one of the key writers of the century. The nameless narrator of the novel describes growing up in a black community in the South, attending a Negro college from which he is expelled, moving to New York and becoming the chief spokesman of the Harlem branch of "the Brotherhood", and retreating amid violence and confusion to the basement lair of the *Invisible Man* he imagines himself to be. The book is a passionate and witty tour de force of style, strongly influenced by T.S. Eliot's *The Waste Land*, Joyce, and Dostoevsky.

*Driver* ReadHowYouWant.com

Full color illustrations throughout. Two days after the September 11, 2001 attack, the U.S. Army Center of Military History began an extensive project to document the historic event through oral history interviews. Published on the incident's tenth anniversary, *Then Came the Fire* is an anthology of excerpts from those interviews. This collection highlights the personal accounts of participants who witnessed some aspect of the events in the Pentagon that

day: the survivors, some of whom were injured; policemen; firefighters; medical personnel; observers; others involved in the rescue and recovery efforts; and building occupants.

*Amusing Ourselves to Death* Simon and Schuster  
Diagnostics, or fault finding, is a fundamental part of an automotive technician's work, and as automotive systems become increasingly complex there is a greater need for good diagnostic skills. *Advanced Automotive Fault Diagnosis* is the only book to treat automotive diagnostics as a science rather than a check-list procedure. Each chapter includes basic principles and examples of a vehicle system followed by the appropriate diagnostic techniques, complete with useful diagrams, flow charts, case studies and self-assessment questions. The book will help new students develop diagnostic skills and help experienced technicians improve even further. This new edition is fully updated to the latest technological developments. Two new chapters have been added - On-board diagnostics and Oscilloscope diagnostics - and the coverage has been matched to the latest curricula of motor vehicle qualifications, including: IMI and C&G Technical Certificates and NVQs; Level 4 diagnostic units; BTEC National and Higher National qualifications from Edexcel; International Motor Vehicle qualifications such as C&G 3905; and ASE certification in the USA.

*Highway Safety Literature* Bloomsbury Publishing  
One of the most famous science books of our time, the phenomenal national bestseller that "buzzes with energy, anecdote and life. It almost makes you want to become a physicist" (*Science Digest*). Richard P. Feynman, winner of the Nobel Prize in physics, thrived on outrageous adventures. In this lively work that "can shatter the stereotype of the stuffy scientist" (*Detroit Free Press*), Feynman recounts his experiences trading ideas on atomic physics with Einstein and cracking the uncrackable safes guarding the most deeply held nuclear secrets—and much more of an eyebrow-raising nature. In his stories, Feynman's life shines through in all its eccentric glory—a combustible mixture of high intelligence, unlimited curiosity, and raging chutzpah. Included for this edition is a new introduction by Bill Gates.

India, 1955. As the scars of Partition are beginning to heal, seventeen-year-old Meera sits enraptured: in the spotlight is Dev, singing a song so infused with passion that it arouses in her the first flush of erotic longing. But when Meera's reverie comes true, it does not lead to the fairy-tale marriage she imagined. Meera has no choice but to obey her in-laws, tolerate Dev's drunken night-time fumbings, even observe the most arduous of Hindu fasts for his longevity. A move to Bombay seems at first like a fresh start, but soon that dream turns to ashes. It is only when their son is born that things change and Meera is ready

---

to unleash the passion she has suppressed for  
so long.
