Prices & Reviews Haynes Manuals N. America, Incorporated

Spearhead of Logistics is a narrative branch history of the U.S. Army's Transportation Corps, first published in 1994 for transportation personnel and reprinted in 2001 for the larger Army community. The Quartermaster Department coordinated transportation support for the Army until World War I revealed the need for a dedicated corps of specialists. The newly established Transportation Corps, however, lasted for only a few years.

Its significant utility for coordinating military transportation became again transparent during World War II, and it was resurrected in mid-1942 to meet the unparalleled logistical demands of fighting in distant theaters. Finally becoming a permanent branch in 1950, the Transportation Corps continued to demonstrate its capability of rapidly supporting U.S. Army operations in global theaters over the next fifty years. With useful lessons of high-quality support that validate the necessity of adequate transportation in a viable national defense posture, it is an important resource for those now involved in military transportation and movement for ongoing expeditionary operations. This text should be useful to both officers and noncommissioned officers who can take examples from the past and apply the successful principles to future operations, thus ensuring a continuing legacy of Transportation excellence within Army operations. Additionally, military science students and military historians may be interested in this volume.

Narrative of the United States' Expedition to the River Jordan and the Dead Sea Simon and Schuster

A vivid visual record of America's most popular pickup trucks The most complete history available of Ford's greatest pickup A comprehensive compilation of detailed specifications and photos of over 50 years of Ford pickups A year-by-year review of the Ford F-series pickups Detailed information on prices and options Examines in detail both limited edition and mass-produced F-series pickups Loaded with color photos including Lightnings, Harley-Davidson and King Ranch F-series. Manners for Today Createspace Independent Publishing Platform

Winner of First Place for Adult Genre Novels, awarded by the Pacific Northwest Writers Association.

Tepui is an "intelligent, cutting edge" tale of adventure, intrigue, and forbidden love. In 1559, forty-nine Spaniards exploring a tributary of the Orinoco River reached a sheer-sided, cloud-capped mountain called Tepui Zupay. When they tried to climb it, all but six of them were slaughtered by Amazons. Or so claimed Friar Sylvestre, the expedition's chronicler. But Sylvestre made many bizarre claims: rivers of blood, plants that lead to gold. Jerry Pace, a burn-scarred botanist struggling for tenure at UCLA, thinks the friar was high on mushrooms. Jerry's best friend, the historian who just acquired Sylvestre's journal, disagrees. He plans to retrace the expedition's footsteps, and wants Jerry to come with him. Jerry refuses, until he spots a stain between the journal's pages—a stain that could only have been left by a plant that died out with the dinosaurs. Now he has to find that plant. But the Venezuelan wilderness does not forgive intruders. Battered and broken, they reach a remote Catholic orphanage where the old prioress warns of death awaiting any who would venture farther. But an exotic Indian girl leads them on, through piranha-infested rivers and jungles teeming with poisonous plants, to Tepui Zupay—the forbidden mountain no outsider has set eyes on since the Spaniards met their doom. This is a story about life's surprises—the challenges, risks—and how they transform us. It is also a tale of Beauty and the Beast and the eye of the beholder.

The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and

condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

A new day dawns blood red A master of fire, Mira is the last hope for the world. For centuries she has secretly enforced the history-altering edicts of the Triad. Now she and her unlikely ally—the human vampire hunter, Danaus—have come to Venice, home of the nightwalker rulers. But there is no safety in the ancient city, for the threat of conflict is in the wind . . . with unholy alliances and earth-shattering betrayals taking hideous form in the shadows. Banished for eons beyond the world's boundaries, the malevolent naturi prepare to feed once again upon a vulnerable earth—and treachery is opening wide the portal that will enable their dread re-emergence. The great battle that has always been Mira's destiny is looming, and she must remain powerful in the face of a shocking revelation: that Danaus, the only creature she dares to trust, is something more than the man he claims to be . . .

"Fawcett delivers a suspenseful and captivating science fiction romance. A must read for all, but especially for fans of THE HUNGER GAMES." --Caridad Pineiro, NY Times & USA Today bestselling author AN IMPOSSIBLE JOURNEY The last thing Addy Dawson remembers is a blazing inferno and freezing river water overtaking her lungs. When she awakens, Addy finds herself on a strange, alien planet, trapped in a cell with no doors, no windows-- and to her horror-- a naked warrior who claims to be her mate. AN UNDENIABLE PASSION An alpha gladiator, Max is forced to breed and produce the finest specimens for the Survival Race, a deadly blood sport created by the alien rulers of Hyborea. To rebel means torture-or worse-yet Max refuses to become the animal his captors want him to be. But their jailors will not be denied, and soon Addy and Max find themselves unwilling players in this cruel game. Pushed to the limit, they will risk everything for the chance at a life free from captivity. And though fate brought them together as adversaries, Max and Addy will discover that when they're together, there's nothing in the universe that can stop them .

Captive HQN Books

As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars

---

and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz – rich cars, poor quality. There ' s only one Saturn you should buy. Toyota – enough apologies: "when you mess up, ' fess up."

A Drama of the American Workplace Houghton Mifflin Harcourt

Traces the development of the 1996 Ford Taurus, and describes the interactions between designers, engineers, marketers, accountants, and manufacturing staff

Diary of the Discovery Expedition to the Antarctic Regions 1901-1904 Saint Martin's Griffin

GIs returning after World War II created an entirely new automotive market niche when they bought surplus Jeeps and began exploring the rugged backcountry of the American West. This burgeoning market segment, which eventually became known as sport utility vehicles (SUVs), numbered about 40,000 units per year with offerings from Jeep, Scout, Toyota, and Land Rover. In 1966, Ford entered the fray with its Bronco, offering increased refinement, more power, and an innovative coil-spring front suspension. The Bronco caught on quickly and soon established a reputation as a solid backcountry performer. In Baja, the legendary accomplishments of racers such as Parnelli Jones, Rod Hall, and Bill Stroppe further cemented the bobtail ' s reputation for toughness. Ford moved upstream with the introduction of the larger Bronco for 1978, witnessing a huge increase in sales for the second-generation trucks. The Twin Traction Beam front end was introduced in the third generation, and further refinements including more aerodynamic styling, greater luxury, and more powerful fuel-injected engines came on board in the generations that followed. Through it all, the Bronco retained its reputation as a tough, versatile, and comfortable rig, both on and off the paved road. With the reintroduction of the Bronco for 2020, Ford is producing a vehicle for a whole new generation of enthusiasts that looks to bring modern styling and performance to the market while building on the 30-year heritage of the first five generations of the Bronco so dearly loved by their owners. From the development process and details of the first trucks through the 1996 models, author Todd Zuercher shares technical details, rarely seen photos, and highlights of significant models along with the stories of those people whose lives have been intertwined with the Bronco for many years. This book will have new information for everyone and will be a must-have for longtime enthusiasts and new owners alike! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial; color: #000000}

“ With plenty of suspense, plot twists and turns and the kind of fast-paced love story that will keep you on your toes, it ' s exactly the kind of summer escape you ' ve been craving. ” —BookTrib To prove her father ' s innocence, she ' ll have to turn a killer ' s sights on herself When journalist Jessie Kegan ' s father is accused of espionage and treason, Jessie has no doubt the man she looked up to her entire life is innocent. Worse yet, before Colonel Kegan can stand trial, he ' s found dead of a heart attack...but Jessie knows it was murder. Forcing down her grief, she ' s determined to use her investigative skills and resources to clear her father ' s name. But going after the truth means Jessie soon finds herself in the crosshairs of a killer who wants that truth to stay buried with her father. Protecting Jessie Kegan is a job bodyguard Brandon Garrett can ' t refuse. Jessie isn ' t just a client at Maximum Security—she ' s the sister of his best friend, Danny, killed in Afghanistan. With dangerous forces gunning for Jessie from every angle, keeping her safe will mean keeping her close and Bran finds their mutual attraction growing, though being Danny ' s sister puts Jessie out of bounds. With their backs against the wall, Jessie and Bran will have to risk everything to expose her father ' s killer—before his legacy dies with his daughter.
