The Age of Surveillance
Capitalism St. Martin's Press
Cold Honor is a fast-paced
narrative about domestic
terrorism in the United States.

A horrific international conspiracy of terrorism is exposed. This story delves into the state of mind that is ever present in our history about fear, deception, retribution and honor in the name of family, country, ideology and religion. Cold Honor sets the evolving potential of future global terrorism and the resulting chaos that we can easily imagine from current news events. These are not stories of the apocalypse, but fictional images of the realities we already fear might happen in our near future. It's the stuff that comes from nightmares.

Cold Honor is a book of consequences.
