### **Back to the Future: DeLorean Time Machine** Haynes Publishing

The US Navy's fleet of aircraft carriers are at the heart of global American military force. With nuclear-powered oceanic range, complements of nearly 5,000 crew, and typically carrying more than 70 combat aircraft, US carriers can remain on station for months, delivering aerial combat strikes on distant targets

around the clock. The Haynes Super Carrier Operations Manual offers unrivaled insights into understanding how a modern US super carrier is operated. The US Navy has given Haynes author Chris McNab and photographer Patrick Bunce official clearance to spend time at sea on one of its 'Nimitz' or 'Gerald R. Ford' class super carriers. During the visit Chris conducted interviews with key personnel of all major departments, including flight-deck crew, aviators, ordnance officers, engineers, logisticians, operations crew and the captain; while Patrick photographed life above and below decks, with a special focus on the engineering side of carrier aviation often

Social Anxiety Disorder Guilford Publications

---

Social anxiety disorder is persistent fear of (or anxiety about) one or more social situations that is out of proportion to the actual threat posed by the situation and can be severely detrimental to quality of life. Only a minority of people with social anxiety disorder receive help. Effective treatments do exist and this book aims to increase identification and assessment to encourage more people to access interventions. Covers adults, children and young people and compares the effects of pharmacological and psychological interventions. Commissioned by the National Institute for Health and Clinical Excellence (NICE). The CD-ROM contains all of the evidence on which the recommendations are based, presented as profile tables (that analyse quality of data) and forest plots (plus, info on using/interpreting forest plots). This material is not available in print anywhere else.
