When I did the Manual Transmission fluid exchange on my former 2010 Focus I used the Ford fluid which I bought @ the dealer. Did alot research on the subject at the time and determined the Ford fluid was the best to use. Amsoil makes a good manual gear fluid as well. 75w-90. Super easy to do and really was worth it.

Ford Focus Manual Transmission Fluid

1999-2007 Ford Focus Manual Transmission Fluid Change

I have a 2002 Ford Focus when I change the transmission filter I accidentally bought Mercon 3 instead of Mercon V so as the car was not shifting appropriately I didn ' t drive it very much but I ' m going to say at least a thousand miles to 1500 miles anyways so then I changed the fluid through the Mercon V and the filter the car is starting to shift better what should I do.
