2007 Ford Fusion Auto Repair Manuals — CARiD.com

Being introduced to the market in 2005 and still being produced today, the Ford Fusion is a midsize car that comes with 4-doors and provides a comfortable layout. Those that want to learn how to do the repairs on their vehicles on their

own can use the Ford Fusion repair manual to their advantage.

2007 Ford Fusion Auto Repair Manual - ChiltonDIY

I am seriously looking at picking up a Fusion. What I am looking for now is seeing if there is a shop manual available for the car.

I am not talking Haynes, I want a true to life factory service manual that will tell me how to take apart the car and put it back together again, torque settings, wiring diagrams, etc. Thank you for any information you can provide.
