The Complete Book of American Muscle Supercars catalogs these amazing cars, along with the builders who unleashed them on the American scene. From Michigan's Royal Pontiac dealership and the souped-up Royal Pontiac Bobcats they built and sold, to the new cars from such fabled names as Carroll Shelby, Mr. Norm's Grand Spaulding Dodge, Nickey Chevrolet, Don Yenko, George Hurst, Baldwin-Motion, Calloway, SLP, and Steve Saleen. This gorgeously illustrated book

chronicles the outstanding contribution of the tuner/builder to American automotive history through the amazing machines they created. From the oldest of these muscle tuners commanding top dollar at today's classic-car auctions, to the latest vehicles by Ford and Chrysler, with their SVT and SRT divisions, this book gives readers a full and fascinating look at American high-performance in its purest form.
