any cam you put into a 351 will fit in a 302. As far as the firing order, Ford went to the 351 firing order on all 302's some where around 83, with the "marine cam" in the early carb H.O. 5 liters. The cam firing order was made to address vibration problems in the 351, since it worked so well, Ford just moved it down the line into the 302 family.
