Winner of the Stanford Dolman Lifetime Contribution to Travel Writing Award 2020 The Mosquito Coast - winner of the James Tait Black Memorial Prize - is a breathtaking novel about fanaticism and a futile search for utopia from bestseller Paul Theroux. Allie Fox is going to re-create the world. Abominating the cops, crooks, junkies and scavengers of modern America, he abandons civilisation and takes the family to live in the Honduran jungle. There his tortured, messianic genius keeps them alive, his hoarse tirades harrying them through a diseased and dirty Eden towards unimaginable darkness. 'Stunning. . . exciting, intelligent, meticulously realised, artful' Victoria Glendinning, Sunday Times 'An epic of paranoid obsession that swirls the reader headlong to deposit him on a black mudbank of horror' Christopher Wordsworth, Guardian 'Magnificently stimulating and exciting' Anthony Burgess American travel writer Paul Theroux is known for the rich descriptions of people and places that is often streaked with his distinctive sense of irony; his novels and collected short stories, My Other Life, The Collected Stories, My Secret History, The Lower River, The Stranger at the Palazzo d'Oro, A Dead Hand, Millroy the Magician, The Elephanta Suite, Saint Jack, The Consul's File, The Family Arsenal, and his works of non-fiction, including the iconic The Great Railway Bazaar are available from Penguin.

How to Build Ford Restomod Street Machines shows you how to modify your vintage Ford to accelerate, stop, corner, and ride as good as - if not better than - Detroit's best new high-performance cars. Don't subject your classic Ford to a life of garage time, trailer rides, outdated factory-original performance, and the occasional Sunday cruise - build it to run hard. Author Tony Huntimer uses over 300 photos to show you how to upgrade your engine, drivetrain, chassis, suspension, body, and interior to make your ride a stand-out performer using factory and aftermarket parts. He even covers many Ford-specific upgrades, including the Granada brake swap and the popular Shelby Mod.

Based on the best-selling novel, Ender's Game tells the thrilling story of the fight to save the world from a devastating future. Now, in this official companion volume, the behind-the-scenes world of the film is brought into stunning focus. Following an attack by an alien race known as the Formics—narrowly countered thanks only to the efforts of legendary war hero Mazer Rackham (Ben Kingsley)—Earth has been preparing

itself for the next wave in the conflict. The fate of humanity lies in finding the next Mazer from a crop of the brightest young minds on the planet. Under the watchful eye of the International Fleet, the venerated Colonel Hyrum Graff (Harrison Ford) has been tasked with overseeing their training. Before long, a standout emerges among them: Ender Wiggin (Asa Butterfield), a shy but prodigiously talented misfit. His potential discovered, Ender is promoted to Command School, where he will soon find the war with the Formics to be more complex than he could have ever imagined. Packed with in-depth interviews, removable posters and army badges, stunning concept art, unparalleled access to the visual effects archives at Digital Domain, and countless full-color images, this insightful insider's view of the making of Ender's Game will bring fans closer into the world of the movie, following cast and crew as it is brought to dazzling life. Also featuring Hailee Steinfeld (True Grit) as Petra Arkanian, Viola Davis (The Help) as Major Gwen Anderson, and Abigail Breslin (Little Miss Sunshine) as Ender's brilliant older sister, Valentine.

Frank Bascombe is no longer a sportswriter, yet he's still living in Haddam, New Jersey, where he now sells real estate. He's still divorced, though his ex-wife, to his dismay, has remarried and moved along with their children to Connecticut. But Frank is happy enough in his work and pursuing various civic and entrepreneurial sidelines. He has high hopes for this 4th of July weekend: a search for a house for deeply hapless clients relocating to Vermont; a rendezvous on the Jersey shore with his girlfriend; then up to Connecticut to pick up his larcenous and emotionally troubled teenage son and visit as many sports halls of fame as they can fit into two days. Frank's Independence Day, however, turns out not as he'd planned, and this decent, appealingly bewildered, profoundly observant man is wrenched, gradually and inevitably, out of his private refuge. Independence Day captures the mystery of life — in all its conflicted glory — with grand humour, intense compassion and transfixing power.

The celebrated Hollywood icon comes fully to life in this complex portrait by noted film historian and master biographer Scott Eyman. Exploring Wayne's early life with a difficult mother and a feckless father, "Eyman gets at the details that the bean-counters and myth-spinners miss ... Wayne's intimates have told things here that they've never told anyone else" (Los Angeles Times). Eyman makes startling connections to Wayne's later days as an anti-Communist conservative, his stormy marriages to Latina women, and his notorious--and surprisingly long-lived--passionate affair with Marlene Dietrich.

Somewhere along the way, our culture lost its definition of manhood, leaving generations of men and men-to-be confused about their roles, responsibilities, relationships, and the reason God made them men. It's into this "no man's land" that New York Times bestselling author Mark Batterson declares his mantra for manhood: play the man. In this inspiring call to something greater, he helps men understand what it means to be a man of God by unveiling seven virtues of manhood. Mark shares inspiring stories of manhood, including the true story of the hero and martyr Polycarp, who first heard the voice from heaven say, "Play the man." Mark couples those stories with practical ideas about how to disciple the next generation of men. This is more than a book; it's a movement of men who will settle for nothing less than fulfilling their highest calling to be the man and the father God has destined them to be. Play the man. Make the man.

The purpose of this manual is to provide clear and helpful information for maintaining gravel roads. Very little technical help is available to small agencies that are responsible for managing these roads. Gravel road maintenance has traditionally been "more of an art than a science" and very few formal standards exist. This manual contains guidelines to help answer the questions that arise concerning

gravel road maintenance such as: What is enough surface crown? What is too much? What causes corrugation? The information is as nontechnical as possible without sacrificing clear guidelines and instructions on how to do the job right.
