What Is Formal Research? - Reference.com

How to write a research paper. A research paper is a piece of academic writing that provides analysis, interpretation, and argument based on in-depth independent research.. Research papers are similar to academic essays, but they are usually longer and more detailed assignments, designed to assess not only your writing skills but also your skills in scholarly research.

If you skip this step, you might end up putting yourself under a lot of pressure to meet the due date of the research essay, topics, research paper submissions. Then again, if you enjoy conducting experiments and your chosen research topic allows you, maybe you could have a survey conducted with the help of your peers and write a paper after analyzing the data.
