Merely said, the Forum Guide is universally compatible subsequently any devices to read.

Forum Guide

Members of the Forum establish working groups to develop guides in data-related areas of interest to federal, state, and local education agencies. They are assisted in this work by NCES, but the content comes from the collective experience of working group members who review all products iteratively throughout the development process.

Forum Guide to Core Finance Data Elements (NFES 2007–801)

Forum marketing can be considered a high-ROI strategy because making a good impression in front of this savvy and influential audience can help your marketing message spread far and wide. Follow this step-by-step guide to effectively use forum marketing as a part of your overall online marketing strategy and avoid some common mistakes.

In a course, with the editing turned on, choose 'Forum' from the activity chooser. Give it a name and, if needed, a description. Choose your Forum type, clicking the question mark (?) icon for descriptions of each type. If you're unsure, use the default Standard forum for general use. Expand the other sections to define the settings you want.
