Foundations of Basic Nursing: Amazon.co.uk: White .I ...

Students learn basic nursing skills, caring for the perioperative patient, positioning patients, medication administration, nursing theories, charting, and legal stuff (HIPAA, OSHA etc) in this class. So, why do students struggle in nursing fundamentals, and how do students study for nursing fundamentals? This class can be difficult for students because it covers a lot of material for each exam and the exam questions require a higher level of thinking.
