Part of the popular LPN Threads series, this comprehensive text prepares you for safe and effective nursing practice in today's fast-paced healthcare environment. Covering maternal and neonatal, pediatric, geriatric, mental health, and community nursing, Foundations of Nursing, 6th Edition, includes all of the essential LPN/LVN content you need. Companion CD includes animations and audio clips depicting physiologic processes, physical assessment video clips, an English/Spanish glossary with definitions and audio pronunciations, an anatomy coloring book, and a fluid and electrolytes tutorial. The consistent, logical framework of the nursing process connects specific disorders to patient care. A mathematics review chapter provides a complete review of basic arithmetic skills and practice in drug dosage calculation to ensure safe medication administration. Safety Alert boxes help you implement The Joint Commission's safety guidelines in all settings, with considerations for special populations. Nursing Diagnosis boxes, screened and highlighted in the text, include nursing diagnoses for specific disorders paired with the appropriate nursing interventions. More than 100 skills in a step-by-step format with full-color illustrations present clearly defined nursing actions with rationales for the skills and techniques you'll use in practice. Medication tables are meticulously detailed and provide quick access to action, dosage, precautions, and nursing considerations for commonly used drugs. Nursing Care Plans, presented in a case-study format, emphasize patient goals and outcomes and end with Critical Thinking Questions to develop your clinical decision-

making skills. Coordinated Care boxes emphasize parameters for prioritizing tasks, as well as assigning tasks to and supervising unlicensed assistive personnel. Patient Teaching boxes and Family Teaching boxes include post-hospital discharge guidelines and disease prevention instructions with a strong focus on three-way communication among the nurse, patient, and family members. Life Span Considerations for Older Adults boxes provide age-specific information for the care of the aging population, which is often the primary focus of the LPN/LVN nurse. Home Care Considerations boxes discuss the issues facing patients and caregivers in the home health care setting. Health Promotion boxes provide key information on staying healthy and preventing disease, with tips on wellness from Healthy People 2010. Cultural Considerations boxes discuss how to address the health needs of a culturally diverse patient population when planning care. Enhanced focus on the NCLEX® Examination offers end-of-chapter Get Ready for the NCLEX Examination! sections with key points for self-guided study and remediation and an extensive set of review questions for thorough self-assessment. Additional review questions on Evolve provide instant feedback with correct answer and rationale for even more test-taking practice. Evidence-Based Practice boxes summarize the latest research findings and highlight how they apply to LPN/LVN practice. Updated, vibrant full-color design highlights key information and enhances your understanding of important concepts.

A market-leading must-have and part of the LPN Threads series, *Success in Practical/Vocational Nursing, From Student to Leader, 8th Edition* provides you with everything you need to succeed in both nursing school and in a career in LPN/LVN nursing. With a strong emphasis on leadership, this clear, comprehensive new edition discusses the higher-level roles and responsibilities of an LPN/LVN leader, the skills necessary to become a successful LPN/LVN, and the future of the field. It is filled with opportunities for you to test your understanding as you read, as well as practice NCLEX review questions at the end of each chapter to prepare you for the NCLEX-PN® Examination. Collaborative Care boxes highlight challenges that occur in emerging community and continuing care workforce settings, and give you examples of leadership and management opportunities for LPN/LVNs in any health care setting you may find yourself. Critical Thinking boxes include activities that could be used in a flipped classroom experience, and provide you with critical thinking and problem solving opportunities throughout the chapter to enhance your understanding. Try This boxes provide students and instructors with clinical simulations or activities related to topics discussed in the text that can be utilized in simulation or role-play scenarios in class. Professional Pointers boxes give advice on nursing best practices in the professional arena during and after nursing school. Get Ready for the NCLEX® Examination! section at the end of the text contains key points, additional learning activities, and review questions for the NCLEX® Examination (including alternate format items in every chapter). Presents tips on taking the NCLEX-PN examination and information on applications, interviews, and the job search, including electronic resumes. Full-color design, cover, photos, and illustrations make this text visually appealing, pedagogically useful and easy to read. Numbered objectives open each chapter and provide a framework for content. Key points at the end of each chapter summarize chapter highlights and serve as an excellent review tool. Key terms with phonetic pronunciations are at the beginning of each chapter and in full color at first mention in the text, and assist you in improving and supplementing your terminology and language skills before you enter clinical practice. References and Suggested Readings lists are arranged by chapter at the end of the book to provide you with resources for further understanding of text concepts. NEW! Community Resources chapter covers tools and resources that you can find within your community to help you with learning, personal, and family needs that could interfere with success in school. NEW! Work Force Trends chapter discusses the most current issues, challenges, and concerns with the LPN/LVN workforce. NEW! Storytelling narratives at the beginning of each chapter use true stories to enhance learning and demonstrate the relevancy of key topics.
