entrepreneurial technology startup companies. This book highlights the passion and perseverance of people like Tim Brady of Yahoo, Sabeer Bhatia, Cofounder of Hotmail and Steve Wozniak, Cofounder of Apple along with 29 other smart companies.

*Guy Kawasaki - Founders at Work*

Founders at Work recounts the early struggles for independence and acceptance of many of modern technology's giants, through personal interviews that are at times hilarious, at times painful, and always inspiring. As human-interest stories they will interest the same audience that enjoys reading about the Google founders in PEOPLE magazine.
