Son of Hamas Simon and Schuster

A book of advice from our nation's founders on how to be a good citizen and a worthy member of civil society.

Truth and Grace Memory

Book NYU Press

Abraham Lincoln grew up in

the long shadow of the Founding Fathers. Seeking an intellectual and emotional replacement for his own taciturn father, Lincoln turned to the great men of the founding-Washington, Paine, Jefferson-and their great documents-the Declaration of Independence, the Constitution-for knowledge, guidance, inspiration, and purpose. Out of the power vacuum created by their passing, Lincoln emerged from among his peers as the

true inheritor of the Founders' mantle, bringing their vision to bear on the Civil War and the question of slavery. In Founders' Son, celebrated historian Richard Brookhiser presents a compelling new biography of Abraham Lincoln that highlights his lifelong struggle to carry on the work of the Founding Fathers. Following Lincoln from his humble origins in Kentucky to his assassination in Washington, D.C., Brookhiser shows us every side of the

---

man: laborer, lawyer, congressman, president; storyteller, wit, lover of ribald jokes; depressive, poet, friend, visionary. And he shows that despite his many roles and his varied life, Lincoln returned time and time again to the Founders. They were rhetorical and political touchstones, the basis of his interest in politics, and the lodestars guiding him as he navigated first Illinois politics and then the national scene. But their legacy with not sufficient. As the Civil War lengthened and the casualties

mounted Lincoln wrestled with history, and shows how we one more paternal figure-God the Father-to explain to himself, and to the nation, why ending slavery had come at such a terrible price. Bridging the rich and tumultuous period from the founding of the United States to the Civil War, Founders' Son is unlike any Lincoln biography to date. Penetrating in its insight, elegant in its prose, and gripping in its vivid recreation of Lincoln's roving mind at work, this book allows us to think anew about the first hundred years of American

can, like Lincoln, apply the legacy of the Founding Fathers to our times.

**Thomas Jefferson and Sally Hemings** Chicago

Review Press

Giant in the Shadows is the definitive biography of Robert T. Lincoln (1843-1926), the oldest son of Abraham and Mary Lincoln and their only child to live past age eighteen. Emerson, after nearly ten years of research, draws upon previously unavailable materials to cover Robert Lincoln's entire life in detail.

Our Country's Founders Vintage  
John Bingham was the architect of the rebirth of the United States following the Civil War. A leading antislavery lawyer and congressman from Ohio, Bingham wrote the most important part of the Fourteenth Amendment to the Constitution, which guarantees fundamental rights and equality to all Americans. He was also at the center of two of the greatest trials in history, giving the closing argument in the military prosecution of John Wilkes Booth's co-conspirators for the

assassination of Abraham Lincoln and in the impeachment of President Andrew Johnson. And more than any other man, Bingham played the key role in shaping the Union's policy towards the occupied ex-Confederate States, with consequences that still haunt our politics. *American Founding Son* provides the most complete portrait yet of this remarkable statesman. Drawing on his personal letters and speeches, the book traces Bingham's life from his humble roots in Pennsylvania through his career as a leader of the Republican

Party. Gerard N. Magliocca argues that Bingham and his congressional colleagues transformed the Constitution that the Founding Fathers created, and did so with the same ingenuity that their forbears used to create a more perfect union in the 1780s. In this book, Magliocca restores Bingham to his rightful place as one of our great leaders. Gerard N. Magliocca is the Samuel R. Rosen Professor at Indiana University Robert H. McKinney School of Law. He is the author of three books on constitutional law, and his work on Andrew Jackson was the

Founders' Fables Penguin

This story of Thomas

Jefferson's children by one of his slaves, Sally

Hemings, tells a darker

piece of America's history

from an often unseen

perspective-that of three of Jefferson's slaves-including

two of his own children. As each child grows up and

tells his story, the contradiction between slavery and freedom

becomes starker, calling into question the real

meaning of "life, liberty, and the pursuit of

happiness." This poignant

story sheds light on what

life was like as one of

Jefferson's invisible offspring.

Tommy's Honor Little, Brown

The #1 New York

Times bestseller. Over 15 million copies sold!

Tiny Changes,

Remarkable Results No matter your goals,

Atomic Habits offers a proven framework for improving--every day.

James Clear, one of the world's leading experts on habit formation,

reveals practical

strategies that will

teach you exactly how

to form good habits,

break bad ones, and

master the tiny

behaviors that lead to

remarkable results. If

you're having trouble

changing your habits,

the problem isn't you.

The problem is your

system. Bad habits

repeat themselves again

and again not because

you don't want to

change, but because

you have the wrong

---

system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create

an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a

---

championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Everything Store

Plunkett Lake Press

Here is a vividly written and compact overview of the brilliant, flawed, and quarrelsome group of lawyers, politicians, merchants, military men, and clergy known as the "Founding Fathers"--who got as close to the ideal of the Platonic "philosopher-

kings" as American or world history has ever seen. In *The Founding Fathers Reconsidered*, R. B. Bernstein reveals Washington, Franklin, Jefferson, Adams, Hamilton, and the other founders not as shining demigods but as imperfect human beings--people much like us--who nevertheless achieved political greatness. They emerge here as men who sought to transcend their intellectual world even as they were bound by its limits, men who strove to lead the new nation even as they had to defer to the great body of the people

and learn with them the possibilities and limitations of politics. Bernstein deftly traces the dynamic forces that molded these men and their contemporaries as British colonists in North America and as intellectual citizens of the Atlantic civilization's Age of Enlightenment. He analyzes the American Revolution, the framing and adoption of state and federal constitutions, and the key concepts and problems--among them independence, federalism, equality, slavery, and the separation of church and state--that both shaped and

---

circumscribed the founders' achievements as the United States sought its place in the world.

Fallen Founder Simon and Schuster

Geared towards toddlers through fourth graders, this resource presents a solid plan for Scripture memory through exposure to great hymns and catechetical instruction.

The Fourth Industrial Revolution Basic Books

A thought-provoking tour of the eighteenth-century houses belonging to some of America's most

important early leaders looks inside the domestic world of the Founding Fathers to chronicle the private lives, families, culture, interests, and aspirations of Jefferson, Washington, Adams, Hamilton, and others in each of the original thirteen colonies.

Son of Heaven Artisan Books

Alexander Hamilton was an illegitimate, largely self-taught orphan from the Caribbean who overcame all the odds to become George

Washington's aide-de-camp and the first Treasury Secretary of the United States. Few figures in American history are more controversial. In this masterful work, Chernow shows how the political and economic power of America today is the result of Hamilton's willingness to champion ideas that were often wildly disputed during his time. He charts his titanic feuds with Jefferson, Adams, Madison, Monroe and Burr; his highly public

---

affair with Maria Reynolds; his loving marriage to his loyal wife Eliza; and the notorious duel with Aaron Burr that led to his death in July 1804. The book was adapted into a hugely successful Broadway musical - winner of 11 Tony awards - which opens at the Victoria Palace Theatre in London in November 2017. Founders The New Press "An NAL-World book." Bibliographical references included in "Notes" (p. 489-[526]).

The Intimate Lives of the Founding Fathers Oxford University Press  
Cokie Roberts's number one New York Times bestseller, *We Are Our Mothers' Daughters*, examined the nature of women's roles throughout history and led USA Today to praise her as a "custodian of time-honored values." Her second bestseller, *From This Day Forward*, written with her husband, Steve Roberts, described American marriages throughout history,

including the romance of John and Abigail Adams. Now Roberts returns with *Founding Mothers*, an intimate and illuminating look at the fervently patriotic and passionate women whose tireless pursuits on behalf of their families -- and their country -- proved just as crucial to the forging of a new nation as the rebellion that established it. While much has been written about the men who signed the Declaration of Independence, battled the

---

British, and framed the Constitution, the wives, mothers, sisters, and daughters they left behind have been little noticed by history. Roberts brings us the women who fought the Revolution as valiantly as the men, often defending their very doorsteps. While the men went off to war or to Congress, the women managed their businesses, raised their children, provided them with political advice, and made it possible for the men to do what they did.

The behind-the-scenes influence of these women -- and their sometimes very public activities -- was intelligent and pervasive. Drawing upon personal correspondence, private journals, and even favored recipes, Roberts reveals the often surprising stories of these fascinating women, bringing to life the everyday trials and extraordinary triumphs of individuals like Abigail Adams, Mercy Otis Warren, Deborah Read Franklin, Eliza Pinckney,

Catherine Littlefield Green, Esther DeBerdt Reed, and Martha Washington -- proving that without our exemplary women, the new country might never have survived. Social history at its best, *Founding Mothers* unveils the drive, determination, creative insight, and passion of the other patriots, the women who raised our nation. Roberts proves beyond a doubt that like every generation of American women that has followed, the founding

---

mothers used the unique gifts of their gender -- courage, pluck, sadness, joy, energy, grace, sensitivity, and humor -- to do what women do best, put one foot in front of the other in remarkable circumstances and carry on.

Founders' Son Wm. B.

Eerdmans Publishing

This biography of the sixteenth president explores Lincoln's life and political career along with insights into his philosophy, religious views, and moral character.

William Penn, Founder

of Pennsylvania Penguin  
A compelling, intimate look at the founders—George Washington, Ben Franklin, John Adams, Thomas Jefferson, Alexander Hamilton, and James Madison—and the women who played essential roles in their lives With his usual storytelling flair and unparalleled research, Tom Fleming examines the women who were at the center of the lives of the founding fathers.

From hot-tempered Mary Ball Washington to promiscuous Rachel Lavien Hamilton, the founding fathers' mothers powerfully shaped their sons' visions of domestic life. But lovers and wives played more critical roles as friends and often partners in fame. We learn of the youthful Washington's tortured love for the coquettish Sarah Fairfax, wife of his close friend; of Franklin's two "wives,"

---

one in London and one in Philadelphia; of Adams's long absences, which required a lonely, deeply unhappy Abigail to keep home and family together for years on end; of Hamilton's adulterous betrayal of his wife and then their reconciliation; of how the brilliant Madison was jilted by a flirtatious fifteen-year-old and went on to marry the effervescent Dolley, who helped make this shy man into a popular president. Jefferson's controversial relationship to Sally Hemings is also examined, with a different vision of where his heart lay. Fleming nimbly takes us through a great deal of early American history, as his founding fathers strove to reconcile the private and public, often beset by a media every bit as gossip seeking and inflammatory as ours today. He offers a powerful look at the challenges women faced in the late eighteenth and early nineteenth centuries. While often brilliant and articulate, the wives of the founding fathers all struggled with the distractions and dangers of frequent childbearing and searing anxiety about infant mortality—Jefferson's wife, Martha, died from complications following labor, as did his

---

daughter. All the more remarkable, then, that these women loomed so large in the lives of their husbands—and, in some cases, their country.

### Founding Mothers

Bantam

"We hold these truths to be self-evident, that all men are created equal..." On his farm in Maryland, sixteen-year-old Caleb Jacobson hears rumors of an armed rebellion of the Massachusetts colonists against the oppressive tyranny of King George

III and his soliders. Educated in a small Quaker school, Caleb has been taught that it is wrong to raise one's hand against another. Yet Caleb is a free black living in a slave colony. He knows firsthand the horrors and hardships of slavery and wonders what good an American victory will do if his fellow blacks - including his best friend Gaddi - remain shackled in bondage. Then comes news that the British Governor Lord Dunmore promises freedom to any

slave who joins his army against the Americans. Can he be trusted to keep his work? Or should Caleb support the colonists' fight in hope of a better future for his people? Caleb will have to choose." Seeking an intellectual and bringing their vision to emotional replacement for bear on the Civil War and his own taciturn father, Lincoln turned to the great men of the founding—Washington, Paine, Jefferson—and their great documents—the Declaration of Independence, the Constitution—for knowledge, guidance, inspiration, and purpose. Out of the power vacuum created by their passing, Lincoln emerged from among his peers as the true inheritor of the Founders' mantle,

the question of slavery. In Founders' Son, celebrated historian Richard Brookhiser presents a compelling new biography of Abraham Lincoln that highlights his lifelong struggle to carry on the work of the Founding Fathers. Following Lincoln from his humble origins in Kentucky to his assassination in Washington, D.C., Brookhiser shows us every side of the man:

laborer, lawyer, congressman, president; storyteller, wit, lover of ribald jokes; depressive, poet, friend, visionary. And he shows that despite his many roles and his varied life, Lincoln returned time and time again to the Founders. They were rhetorical and political touchstones, the basis of his interest in politics, and the lodestars guiding him as he navigated first Illinois politics and then the national scene. But their legacy with not sufficient.

---

As the Civil War lengthened and the casualties mounted Lincoln wrestled with one more paternal figure—God the Father—to explain to himself, and to the nation, why ending slavery had come at such a terrible price. Bridging the rich and tumultuous period from the founding of the United States to the Civil War, *Founders' Son* is unlike any Lincoln biography to date. Penetrating in its insight, elegant in its prose, and gripping in its vivid

recreation of Lincoln's roving mind at work, this book allows us to think anew about the first hundred years of American history, and shows how we can, like Lincoln, apply the legacy of the Founding Fathers to our times. *A State at Any Cost* Vintage From the author of *White Trash* and *The Problem of Democracy*, a controversial challenge to the views of the Founding Fathers offered by Ron Chernow and David McCullough Lin-Manuel Miranda's play

"Hamilton" has reignited interest in the founding fathers; and it features Aaron Burr among its vibrant cast of characters. With *Fallen Founder*, Nancy Isenberg plumbs rare and obscure sources to shed new light on everyone's favorite founding villain. The Aaron Burr whom we meet through Isenberg's eye-opening biography is a feminist, an Enlightenment figure on par with Jefferson, a patriot, and—most importantly—a man with powerful enemies in an age of vitriolic political fighting. Revealing the gritty reality of eighteenth-century

---

America, Fallen Founder is the authoritative restoration of a figure who ran afoul of history and a much-needed antidote to the hagiography of the revolutionary era.

George Mason, Forgotten Founder Authentic

The oldest son of Sheikh Hassan Yousef, a founding member of Hamas, reveals new information about the world's most dangerous terrorist organization, unveils the truth about his own role in the organization, and explains his dangerous decision to make his newfound Christian faith public.
